

Know your costs.
Save on care.
Get rewarded.

Cost Estimator + PriorityRewards

PriorityHealth 

Our Cost Estimator tool shows your estimated out-of-pocket costs for hundreds of services and thousands of prescriptions based on your specific health plan. It also shows you how prices vary by location or when you have a lower cost alternative to your medication. That way you can compare costs and make decisions with you and your budget in mind.

Plus, with **Priority**Rewards, when you choose to receive care from a lower-cost, high-quality facility, we'll send you a Visa® rewards* card ranging from \$50 to \$500.

Need to schedule a procedure, lab test or office visit?

- Before receiving care, search for the medical service you need
- Select your doctor or the location (facility).
- If you choose your doctor first you can choose your preferred facility from the in-network results. You'll be shown fair-market and above-market prices.
- If you chose your facility first, you can choose your doctor who performs that service at that location from the search results.
- A green trophy means the service and facility combination makes you eligible for a reward. 🏆

The screenshot shows a web interface for finding medical services. At the top, it says 'New search' and 'Locations in your plan network'. Below this, there are tabs for 'Knee Arthroscopy', 'Locations', 'Doctor', and 'Your visit'. The 'Locations' tab is selected. The main heading is 'Select a location to perform Knee Arthroscopy'. There are filters for 'Distance from you' (set to 10 miles) and 'Price for procedure'. The results table shows two locations, both with a green trophy icon indicating they are eligible for a reward.

Name & Address	Distance from you	Price for procedure
Spectrum Health Lake Drive 4100 Lake Drive SE Grand Rapids, MI 49506	0.1 miles	\$3,387 + \$523
Spectrum Health Lake Drive 4100 Lake Drive Grand Rapids, MI 49506	0.1 miles	\$3,387 + \$523

How do I get rewarded?*

- Choose a facility with a green trophy.

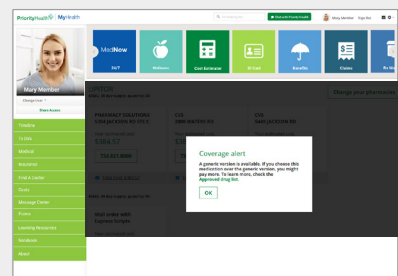

If you receive the medical service within six months of using the tool, we'll send you your Visa rewards card in the mail within a few weeks of receiving the service.

- Your rewards card can be used for most things including medical services, health and wellness services, groceries, general merchandise and much more.

Need to know the cost of your medication?

- Before heading to the pharmacy, search for the medication you need. You'll need to know your dosage too.
- Then select your preferred pharmacy or pharmacies to see prices.
- If there's a preferred alternative medication available for the drug you're searching for, you'll be alerted. These are often lower cost generics or brands you could speak to your doctor about.

**PriorityRewards is not yet available for medications, or to members with Medicare, Medicaid or Spectrum Health Partners plans, or self-funded employer groups who have not opted in.*
