

Guidance for Selection of Peer to Peer Community of Practice Members

Review the following guidelines when selecting two RCN members to join the Peer to Peer Community of Practice:

- Current employee of a public school system in Michigan
- Professional-level staff member (credentialed by MDE or other school-related credentialing agency)
- Direct experience developing and implementing a Peer to Peer Support program with at least 20 LINK Students in the last three years
- Regularly works in a building implementing a Peer to Peer Support Program with at least 20 LINK Students at least three days per week
- Direct experience developing materials for a Peer to Peer Support Program (e.g., brochure, permission slips, curriculum)
- Attended at least 10 hours of training in START content provided by START staff, including the Peer to Peer Support module
- Familiar with Peer to Peer Support program data collection procedures (e.g., START peer to peer log)
- Prior experience with the START Peer to Peer Support Community Practice and/or START Link Think Tank is desirable but not required
