Lapeer County 4-H is excited to offer a unique opportunity for youth with special needs to participate in a livestock show designed especially for them at the Eastern Michigan State Fair. Participants will learn about different farm animals including pigs, sheep and goats and will be assigned a 4-H or FFA member who will work hand in hand with each child and family. Each child will work with the animal they will be showing and the volunteer coach will teach the child about basic care, handling and how to show the animal in the show ring.

We are seeking sponsorships to help offset the costs of the program, including but not limited to t-shirts and awards for participants. Sponsorships of over $50 will be listed on the back of the t-shirts given to participants and coaches as well as announced during the Challenge Show. Sponsorship donations are tax deductible and you will be provided a receipt letter.

Due to printing deadline sponsorships received after July 7th, may not be included on the t-shirts.
