

UN#4: American Imperialism Assignment #1 Chap. 7, Sec. 1 Answer Key

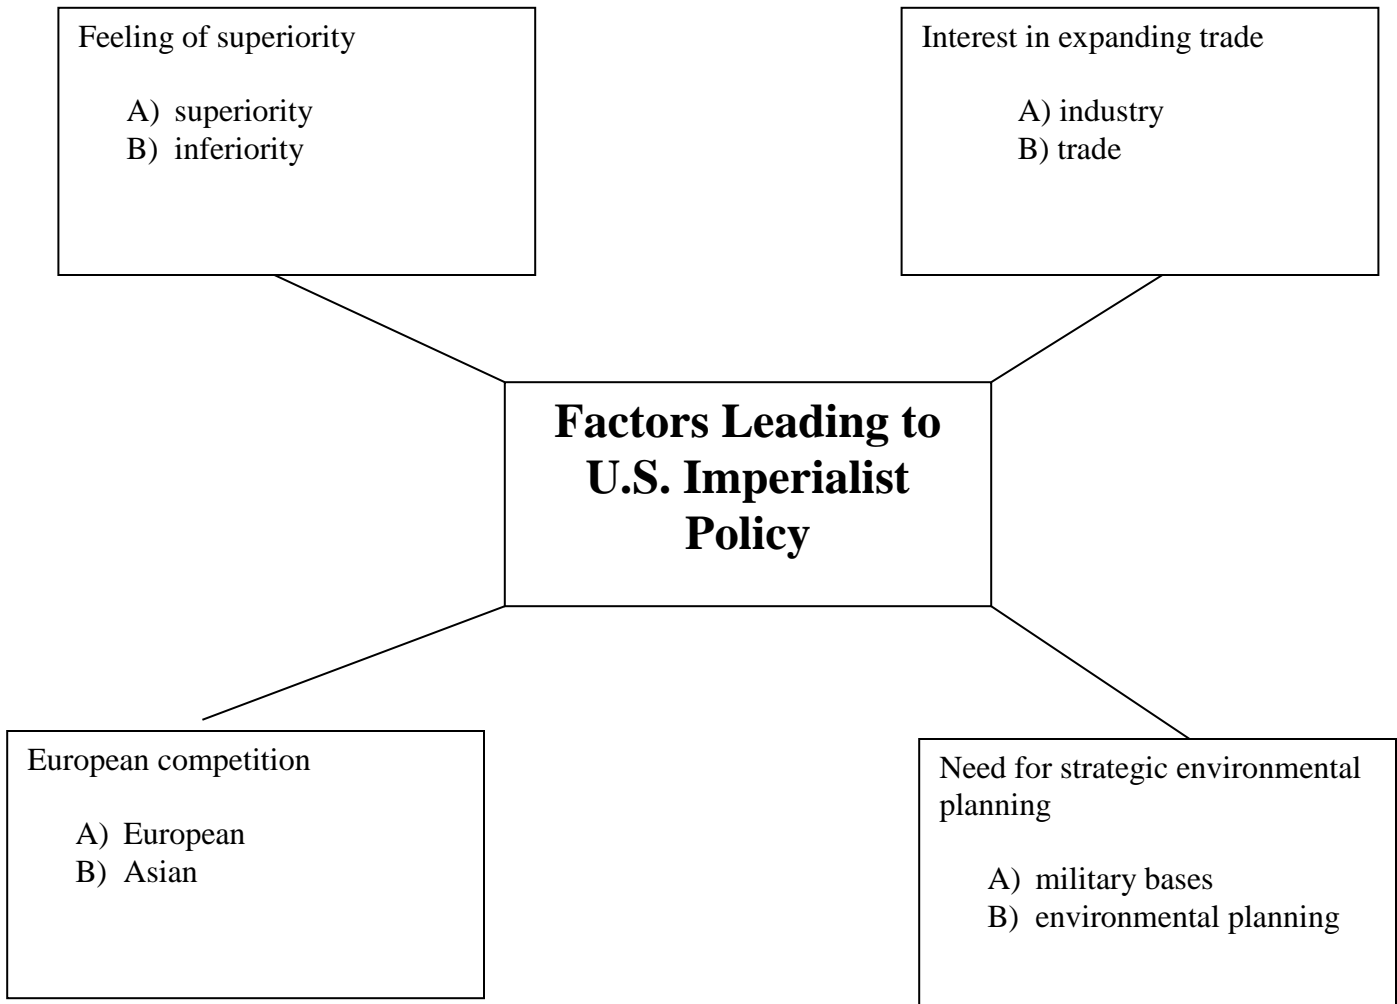

- 1.) Feeling of superiority, interest in expanding trade, need for strategic military bases, and European competition (can either be a web graphic organizer or a more basic table setup)
- 2.) Pressured by Congress, which in turn was being pressured by American businessmen, President Fillmore sent Matthew C. Perry to Tokyo to open trade with Japan. Japanese were impressed by our modern ships and could not compete with them.
- 3.) Japanese leaders were influenced by American modernity and decide to modernize and remake their society. They launched an industrial revolution and built a navy and then began to build an empire.
- 4.) Answers will vary; students should defend their point of view but should discuss who really represented the interests of the Hawaiian people.
- 5.) He convened the conference to support peace and increase trade among the nations in the Americas.
