

Progressive Textbook Assignments 8.1 (ANSWER KEY)

Assignment 8.1: Read pages 292-299

Answer the following questions on a blank piece of lined paper (*write in complete sentences*):

- 1.) List the kinds of problems that Muckrakers exposed (pg. 293):
 - a. Create a graphic organizer with the top title box labeled *Problems Exposed by Muckrakers* and six smaller boxes underneath in which you will place the problems that were exposed by Muckrakers during this time period
(Unfair practices by big business, corrupt government, inefficient government, poverty, child labor practices, adult labor conditions)
- 2.) How did initiative, referendum, and recall change democracy in the United States?
(All of these political reforms brought about by progressives made the government more responsive to and reflective of the citizens, it gave the people more say in government)
- 3.) Identify the different social issues that progressives fought to change (pgs. 298-299). How do these ideals influence society today?
(Progressives were concerned with issues of social justice including poverty, fair labor practices, and reining in big business. These concerns are still with us today and are major topics of public debate.)
