

Livingston and Ingham County Autism Consortium
invite you to attend this three-day workshop

Elementary Coaching Series

September 17, 2014 - Peer-to-Peer

October 15, 2014 - Data Collection

November 18, 2014 - Implementation

8:30 am - 11:30 am

Livingston ESA, 1425 W. Grand River, Howell

Learning Objectives:

Peer-to-Peer

- ◆ Recognize and understand the importance of peers supporting peers
- ◆ Structure and implement the P2P program

Data Collection

- ◆ Understand the power of data collection
- ◆ Use data to monitor the effectiveness of the implementation of systems

Implementation

- ◆ Identify and understand the barriers to successful systems of support
- ◆ Develop detailed guidelines for the implementation of those systems

There is no cost to attend and space is limited. Register online at www.livingstonesesa.org. Click on "Calendar" tab and scroll to the date of workshop. Click on START, click on "sign in to register". If this is your first time registering online for professional development, you will need to click on "Register" tab in upper right corner and follow steps to create an account.
