

# PADLET

## What?

This is the Pinterest board for START. Padlet is a virtual bulletin board where we can collaborate, share links, documents, and ideas with each other. This is a way to keep all of our amazing ideas together in one place.

Padlet is user friendly and easy to navigate.

## How?

Send any ideas you would like to share to [autismmed@gvsu.edu](mailto:autismmed@gvsu.edu) or [afoster@maisd.com](mailto:afoster@maisd.com). We will add your ideas to the board. Visit the board often for ideas and resources. There are ready to go materials available to download!

## Resources

Currently there are ideas for virtual LINKS, self regulation and for engaging students.
