IT'S TIME TO GET YOUR CONFERENCE TICKETS

Celebrate Aging as the 17th Annual Hybrid Art and Science of Aging Conference explores **Thriving in the 21st Century!** Join us in person or online for a fun, interactive experience through 18 hybrid and in person oral conference sessions and posters.

You won't want to miss author, Dr. Michael Iwama 's Keynote address as he begins the conference with examples, strategies, and approaches for coping with change, building resilience and navigating life transitions to foster hope and optimism.

Follow the keynote with your choice of sessions by diverse speakers on topics such as mindfulness, healthy and functional movement, living with complex illness, leisure, dementia, music, inter-generational relationships, care-giving, mental health, and other relevant topics.

You can **attend in person or register for "remote" attendance** and enjoy the conference online, via Zoom, in the comfort of your own space. Once registered for remote attendance, review the conference schedule/program, and join the session with the Zoom link provided in the Whova app. You can participate on Zoom without a Zoom account, using your smart phone, tablet, or computer.

Scan the QR Code or follow the link below to access the conference webpage, speakers, sessions and registration.
