

Breaking Through Barriers: How Art Therapy Reaches Beyond the Limits of Talk Therapy

This 3 hour workshop offers an introduction to the profession of Art Therapy and how the practice of Art Therapy encourages clients to express what cannot be spoken in words. (Recommended for Master's Level Social Workers)

Devi earned her Master's degree in Social Work in 1997 through Western Michigan University and her Master's degree in Art Therapy from The School of the Art Institute of Chicago in 2015. She describes Art Therapy as "a powerful force that breaks through barriers and reaches those who struggle to express themselves or their memories through words." She has used Art Therapy extensively with children, teens, families, and adults in groups and individual therapy.
