

Social Work Ethics: Review, Update and Application

This workshop will provide participants with an overview of the NASW Code of Ethics and will update them on new information from the revised NASW Code of Ethics. Specific topics will include ethical guidelines in the context of technology, ethical decision dilemmas and ethical decision making.

This program meets the ethics requirement for license renewal.

Scott Berlin received his Master of Social Work (MSW) degree from Wayne State University in 1994 and received his PhD in Social Work from Michigan State University in 2007. He has worked in the HIV/AIDS service community and the LGBTQ community for the past 20 years. He has been active in areas of direct service, grant writing /fundraising and research as well as HIV/AIDS care and prevention. Berlin has served as the Director of the GVSU School of Social Work for the past year and as the BSW Director in the School of Social Work from 2010 to 2015. He is a licensed social worker in the state of Michigan, and has served on the Council on Social Work Education and is involved in accreditation activities for social work programs in the United States.
