 - ii. Phase one focused on general information; requires user interaction to improve the tool; second requires GV sign in to access personal files, records, information, etc. feedback thread present in order to better the app
 - iii. Ouestions
 - a) Benoit location as of now, app is used for questions and answers; perhaps eventually it could be used for location
 - b) Dowker do any other universities in MI have a tool like this? / Fairly uncommon, some schools have a similar thing, but as a limited version.
 - c) Siegrist What does the integration of this program look like? / Will be apps that can be downloaded, is also a browser based tool
 - d) Dean who would own cloud servers that contains the student data? / all data resides with GV
 - e) Koldomasov Do you envision this as a platform for digital student ids? / digital ID would fall more onto the MyBanner/MyGV app as opposed to an informational app
 - iv. Are interested in what students would like to see this app provide; asks senators to speak to the orgs/groups they are involved with in regards to which *questions*/features students would like to see
 - v. Asks for student testers in the future

- vi. Additional Questions
 - a) Hicks as a worker at the IT help desk, acknowledges the value and benefits of this
- B. McKenzie Gamage Presentation on the Importance of Advanced Directives
 - i. Advanced Directive a plan that is legally recognized if one were to ever be unconscious or incapable of making healthcare decisions. Plan addresses who would be asked to make these decisions on one's behalf (including how long one would prefer to be kept alive)

(Presented by Hicks)
 - No changes have been made with the exception of a few word choices /
 Dean Rullman is in favour of this timeline
 - ii. No discussion
 - iii. Motion passes unanimously

VIII. New Business

- A. Discussion on W-20-05: Urge Grand Valley State University to Declare a Climate Emergency and Implement a University Task Force Devoted to Increased Sustainable Practices. (Presented by Marlowe)
 - i. Senator Marlowe reads the resolution voting will take place after spring break; clerical issues can be discussed outside of GA
 - ii. Questions/Discussion
 - a) Nitzkin resolution comes with many objectives and the deadline is a little vague, recommends a concrete deadline for the university to accomplish these objectives
 - b) Hicks raises concerns with requesting a university taskforce, would hesitate to request this before it is suggested by admin; it may not be viable if many meetings and research were not had at the time / Marlowe explains that he elected a taskforce to ensure that the University takes action as opposed to only declaring a climate emergency. // Hicks is there a person that said a committee cannot handle this as opposed to a taskforce? will discuss it with Yumi Jakobic at a meeting and get back into the next GA
 - (1) Stoll echoes the necessity to make rounds with departments and do research before asking for a task force; highlights the importance of building as strong relationship with administration across campus
 - (2) Marlowe shares difficulties found when trying to contact some departments beforehand
 - (3) Current plan for GV is to have plans in place and functioning by 2030; but the resolution is asking for better, sooner action
 - c) Siegrist what does GV's investment in fossil fuels look like?, Marlowe responds that upwards of \$25 million dollars

- d) Nitzkin feels it is beneficial to pair this resolution with a document that states the relevant information and definitions
- e) Russo recommends bringing in UN sustainability goals, further evidence/strengthening of argument
- f) Benoit reminds senators to look over this resolution over spring break; reach out to Marlowe
- g) Thompson perhaps include more examples of how GVSU students are affected
- B. Call for New Orders of the Day
