

Syllabus: Super-Sized Google Tools

Course Description:

This online class will take Google tools to the next level with the integration of extensions. These FREE applications make you and your students more productive by adding functions like grammar checking, translators, improved resource management, text-to-speech and much, much more! All assignments will empower you to implement these cool technology tools into your classroom successfully.

Credits: 3/75 SCECHs

Instructor: Tim Dimmick.

Instructional Method: Online

Dates: June 25th - August 2nd

Required Text: No text is required. Good Internet access, essential!
