

ENERGIZING OUR WORLD

A ONE-WEEK IMMERSIVE EXPERIENCE!

For Students Entering 7th or 8th Grade.

Registration Deadline: April 30, 2022

Camp Date: June 27-30, 2022

Energizing Our World is a one week summer camp exploration for middle school students designed to spark interest in renewable energy. Students will perform hands-on experiences with a variety of renewable energy sources. Students will have the opportunity to engage in activities involving solar, wind, and hydro power created and facilitated by GVSU Faculty, Staff and Students.

NOTE: Final decisions regarding in-person, hybrid or fully remote delivery will be determined by May 1, 2022 following COVID-19 safety guidelines.
