

UltraTime Training Manual

Supervisors

Logging In

Once you have accessed GVSU's home page click on the **Faculty/Staff** header, Under **Staff** click **UltraTime**.

User ID:

- Network ID (GVSU email address minus *@gvsu.edu*)

Password:

- Default password is your network password

First Time Users

If you are a first time user you will receive an "End User License Agreement" that will need to be accepted prior to accessing UltraTime.

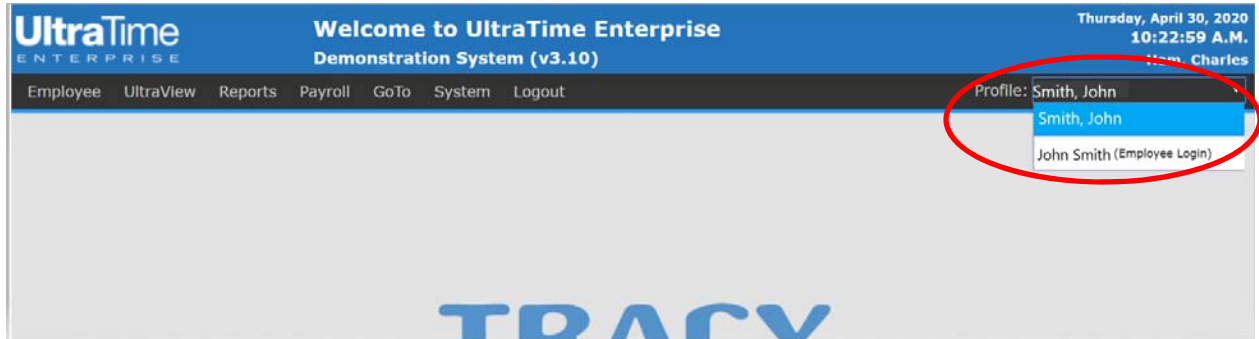

- Scroll to the bottom of the agreement and select **Accept**

Selecting Employee vs. Supervisor Credentials

You will have two options to choose from in the example below John Smith has both Supervisor credentials and an Employee Login

Changing between Credentials

If you are logged into your supervisor credentials and need to switch over to your Employee credentials you can do so without logging out of the system. You will also see a profile selection option at the top right of the screen that you can use to switch between profiles at any time, by selecting the drop down.

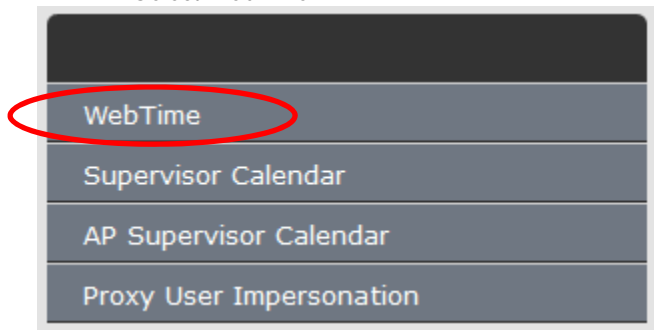

Confirming Hourly Employee Time Sheets

Must be logged into your supervisor credentials

- Confirmation of employee hours is due by 3:00pm on the Monday immediately after the pay period ends
- After confirming, employee will be unable to make any changes to that record

All Employees for either an ENTIRE Pay Period or a SINGLE Day:

- Select WebTime

1. Select *all employees* from the Employee drop down menu
2. Select the current pay period, or the appropriate day from the Pay Period drop down menu
3. Click on the "Confirm" button. A green check mark should appear in the status column next to every day, or for the day selected

An Individual Employee for either an ENTIRE Pay Period or a SINGLE Day:

1. Same procedure as above but select the *appropriate employee* from the Employee drop down menu

UnConfirming

- Same procedure for confirming, but click "UnConfirm" instead of "Confirm"
- Allows your employees to make changes to their own time records

Adding, Deleting, and Editing Time Records

Adding

1. Click in the **Start** column of appropriate day and enter employee's exact start time. Designate if entry is AM or PM by using a, am, p, or pm after the time
2. Enter exact time punched out in the **Stop** column
3. Enter lunch break if one was taken, in number of hours (.25, .5, .75, 1) in **Lun** column
4. Select the position number (this will fill in automatically if employee holds only ONE job using UltraTime)
5. Click "Apply," or hit the enter key

Mon	08/14/2017		0	0	0		⌵		⌵		⌵

Editing

1. Click on the time that needs to be edited and make the appropriate change
2. Click "Apply," or hit the enter key

Deleting an Absence Record

Since students are NOT eligible for absences, you only need to delete an absence record if one has been entered by mistake.

To do so:

1. Click on the "Hours" column of the absence record
2. Type in a zero (0) for the number of hours
3. Click "Apply," or hit the enter key

Date	√	Start	Stop	Lun	Paid	Position	√	Abs	Hours	Position
01/20/2013						⌵		⌵	0	⌵

Locking Employee Records

- Clicking "Lock" means employees cannot make *any* additions, edits, or deletions to their time records
- Lock record the Monday morning that confirmation of hours is due to ensure employee is not making any additions after confirmation

To lock ALL employees for an ENTIRE pay period:

1. Select *all employees* from Employee drop down menu
2. Select the current pay period from Pay Period drop down menu
3. Click on the "Lock" button at the top of the screen. A lock symbol will appear in the status column

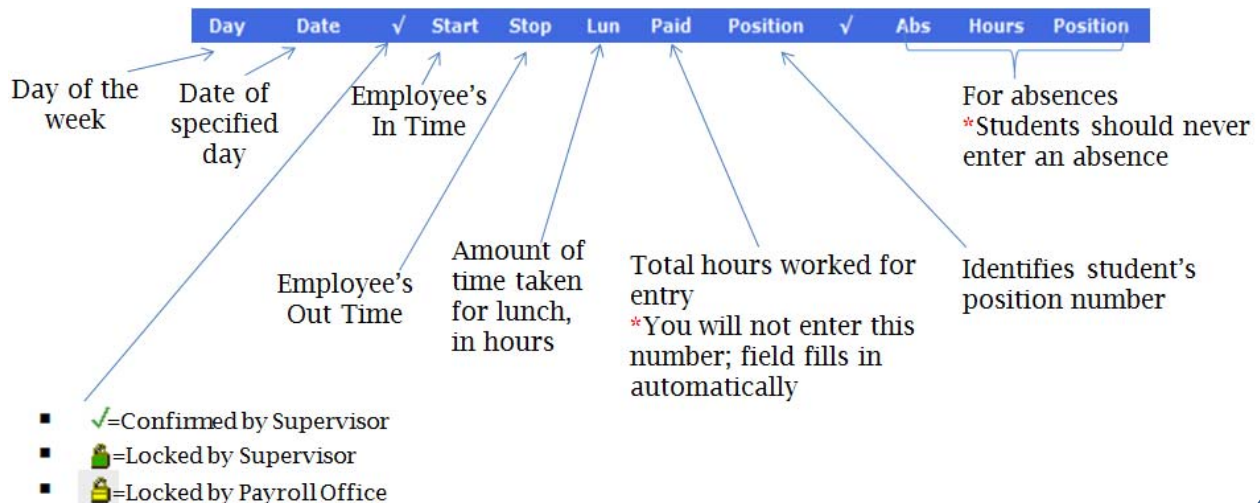

****The system will not allow you to lock a pay period until the pay period end date has passed**

Calendar Feature

This button allows you to view your employee's time worked in a calendar format for the period of a month, quarter, or year. This is a View Only feature, so no changes can be made.
