Adding, Deleting, and Editing Time Records

Adding

1. Click in the **Start** column of appropriate day and enter exact time punched in. Designate if entry is AM or PM by using a, am, p, or pm after the time
2. Enter exact time punched out in the **Stop** column
3. If you took a lunch break, type the number of hours taken for lunch (.25, .5, .75, 1) in **Lun** column
4. Select the position number (this will fill in automatically if you hold only ONE job using UltraTime)
5. Click "Apply," or hit the enter key

Day	Date	✓	1 Start	2 Stop	3 Lun	Paid	4 Position	✓	Abs	Hours	Position
Sun	02/03/2013										
Mon	02/04/2013		8a	5p	1		S1004300				

Deleting

1. Click in the **Start** box for the record and type in a zero (0)
2. Repeat in the **Stop** box
3. If a lunch hour was entered, click in the **Lun** box and type in a zero (0)
4. Click "Apply," or hit the enter key

Date	✓	1 Start	2 Stop	3 Lun	Paid	Position	✓	Abs	Hours	Position
01/20/2013		0	0	0						

Editing

1. Click on the time that needs to be edited and make the appropriate change
2. Click "Apply," or hit the enter key

Deleting an Absence Record

Since students are NOT eligible for absences, you may only need to delete an absence record if one has been entered by mistake.

To do so:

1. Click on the "Hours" column of the absence record
2. Type in a zero (0) for the number of hours
3. Click "Apply," or hit the enter key

Date	✓	Start	Stop	Lun	Paid	Position	✓	Abs	Hours	Position
01/20/2013									0	

REFERENCES

Calendar Feature

This button allows you to view your time worked in a calendar format for the period of a month, quarter, or year. This is a View Only feature, so no changes can be made.

Pay Period Selection selects the pay period or dates that will be shown

- (-1): Last pay period
- (-2): Two pay periods prior

*You may only add or edit time on the CURRENT pay period

Quit logs you out of UltraTime

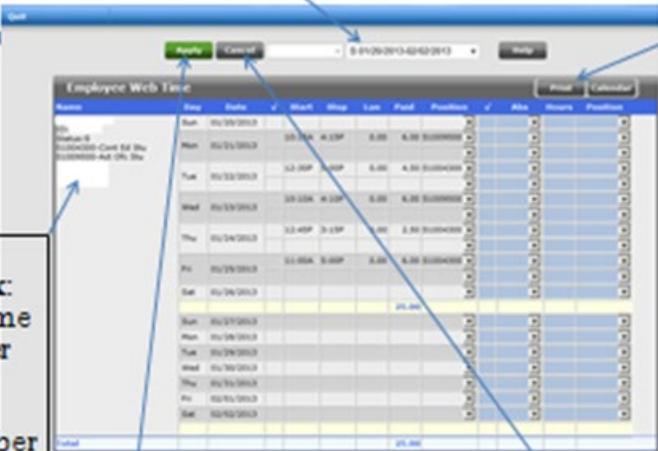

Print prints the record shown on screen

Time Record Information Box:

- Employee name
- Badge number
- Current assignments
- Position number

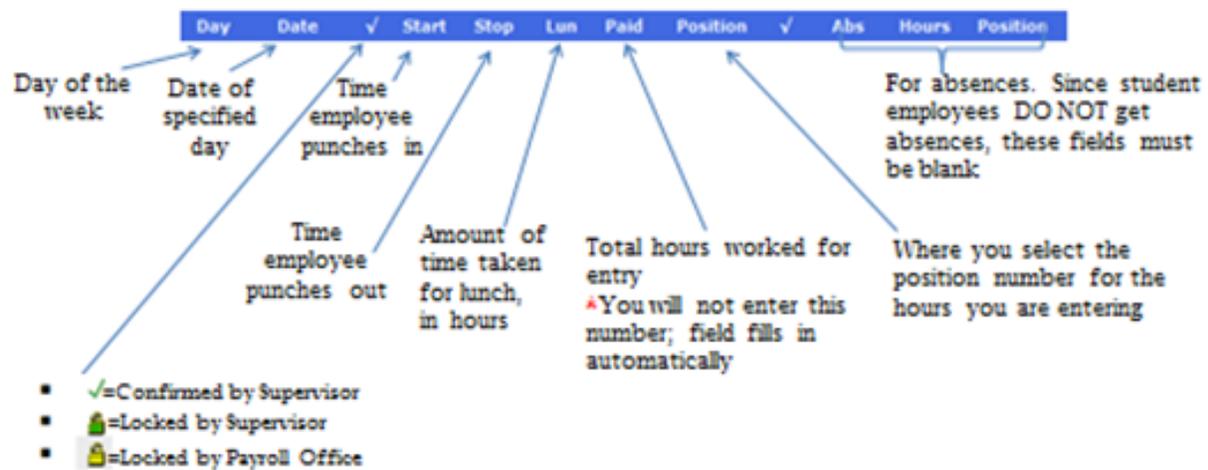

Apply updates any additions, deletions, or edits you make to a record
*Hitting Enter performs the same function

Cancel clears any additions or edits that you were going to enter

The screenshot shows the 'Employee Web Time' interface. At the top, there are buttons for 'Apply' and 'Cancel', and a dropdown menu for 'Pay Period Selection' with options for '-1' and '-2'. Below this is a table with columns for Date, Start, Stop, Lun, Paid, Position, Abs, Hours, and Position. The table contains several rows of data for different dates. Callout boxes point to various parts of the interface: 'Quit' points to the top right; 'Print' points to a button in the top right; 'Time Record Information Box' points to a box on the left containing employee details; 'Apply' and 'Cancel' buttons are at the top; and 'Pay Period Selection' is a dropdown menu at the top.

TEMPLATE FUNCTION

Shortcut for entering time if the same time is worked on a daily basis (Ex: 8am to 5pm with a 1 hour lunch break from Mon – Fri)

1. Enter a complete time record for one day
2. To enter the **same** time for another day:
 - RIGHT click the mouse anywhere on the time record you entered
 - A message box will appear stating that a template has been set. Click “OK”
3. RIGHT click the mouse on the next day’s **Start** time area. The template time will appear in red
4. Repeat step 3 on the remaining days then click “Apply,” or hit the enter key
