

EXPRESSIVE ACTIVITY & GROUNDS AND FACILITY USE POLICY

Grand Valley is a public university, committed to upholding the First Amendment of the U.S. Constitution, which protects free speech. We welcome freedom of expression and consider the university a "marketplace of ideas."

Many areas of campus represent a public forum for speech and other expressive activities including speeches, demonstrations, protests, and pamphleting.

The university has created a Grounds and Facility Use Policy to ensure the university achieves its educational mission, while allowing for the exchange of ideas. The Grounds and Facility Use Policy addresses the use of space on campus, and tells students, registered student organizations, employees, and non-university groups and individuals where, when, and how they can use areas of campus for Expressive Activities.

What follows are some of the basic guidelines of the policy. The entire policy can be found at gvsu.edu/policies/groundsandfacilityuse and additional resources can be found at gvsu.edu/inclusion/expressiveactivities.
