NEW! [Michigan Seal of Biliteracy \(MI-SoBL\)](#).

The **Modern Languages and Literatures Department** and the **Division of Enrollment Development and College Futures** have partnered to provide a new opportunity for current and incoming students to receive college credit for their [Michigan Seal of Biliteracy \(MI-SoBL\)](#).

The MI-SoBL is awarded to high school graduates who demonstrate proficiency in English and at least one additional world language through approved assessment pathways. Students who earned this recognition may now receive up to 15 Grand Valley State University credits.

To receive credit, students should contact their high school counseling office to have an official transcript—with the Seal of Biliteracy notation—sent directly to GVSU. Once received, credits will be automatically awarded, and the student will receive an evaluation detailing the credit applied.

Faculty and advisors are encouraged to share this information with students and direct questions as follows:

For questions about the award or transcript process: Admissions and Recruitment Office – admissions@gvsu.edu | (616) 331-2025

For questions about how awarded credits apply to academic programs and the new [Multilingualism Badge](#): Modern Languages and Literatures Department – moddept@gvsu.edu | (616) 331-3203
