

Immersive Interactive Technology Suite – DCIH 310

Four dedicated rooms are setup with Immersive Interactive Technology to immerse students into any environment.

Each room has three interactive walls where videos, images, text, and quizzes can be projected.

Immersive Interactive Technology Suite – DCIH 310

The Immersive Interactive content library provides environments for all healthcare professionals including, fire, pre-hospital, emergency, hospital, home care, and many more.

Scenarios are customizable to meet the learning objectives.
