

GRAND VALLEY STATE UNIVERSITY FARMERS MARKET

2017 DATES:
JUNE 7 - OCTOBER 11

2010 2011 2012 2013 2014 2016

383 417 395 139 243 128

Live music accompanies the shoppers at the Farmers Market and encourages the community to interact with one another.

BLOOD PRESSURE CHECKS

Each summer, Kirkhof College of Nursing Students promotes healthy living by providing blood pressure checks to the public.

559 634 566 552 715 1653

Many things are sold at the Farmers Market including: plants, fruits, vegetables, preserves, and baked goods.

LUNCHES

Healthy and nutritious lunches are made by Campus Dining and sold for \$6 at each Farmers Market.

1755 1816 2970 2578 2592 2338

Children are encouraged to take part in the Farmers Market. The Children's Enrichment Center brings their children to visit and educate them about healthy living.

ATTENDANCE

In the 10 years that the Farmers Market has taken place, attendance has increased; more students, faculty, and staff are living healthier lifestyles and supporting their community.

14 16 15 16 16 18

The Farmers Market is a collaborative place, and recipes and food demos are shared each week.

TOTAL MARKETS

The Farmers Market has always operated through September in the past. This year, the market is staying open through October 19th to offer more healthy choices to students, faculty, and staff.
