More than 1.3 million higher ed professionals a month from every academic discipline and every administrative area (site traffic measured by Google Analytics). About 35% of our readers are academics, about 38% are institutional and academic administrators, and nearly 12% hold executive titles. Readership is proportional throughout the country, and about 12% of our readers are outside the U.S. Our readers come from every kind of institution; about 13% are at community colleges. And our readers are very diverse: nearly 20% are minorities and more than 55% are women.
