How to Access the Performance Portal

Visit the GVSU Human Resources website (gvsu.edu/hro) and click "Performance Evaluation Plan" (grandvalleysu.pageuppeople.com). You will login using your single sign-on credentials.

Once you have logged in, you will be brought to the Supervisors Performance Portal Dashboard. There will be two areas at the top of the page: **About Me** and **My Team**. We will be focusing on two for your Performance Evaluations: **My Performance Evaluation** (employees only) and **Team Performance Evaluation** (supervisors only).

The **About Me** area contains specific information for employees. You will see your Journal and Your Performance Review here.

The **My Team** area contains specific information for supervisors. This includes Your Organizational Chart, Team Details, and Your Teams Performance Evaluations.

The two widgets, **My Performance** and **Team Performance**, are links to access the various evaluations requiring your attention.

✔ **Step 1** - Employee Identifies Goals and Job Responsibilities

Your employee will begin the process by either Identifying Goals and Projects, Job Responsibilities, or reviewing what has already been added. The evaluation typically contains five sections: Goals and Projects, Job Knowledge & Responsibilities, University Competencies, Professional Development and Overall Rating. However, this may vary depending on the process.

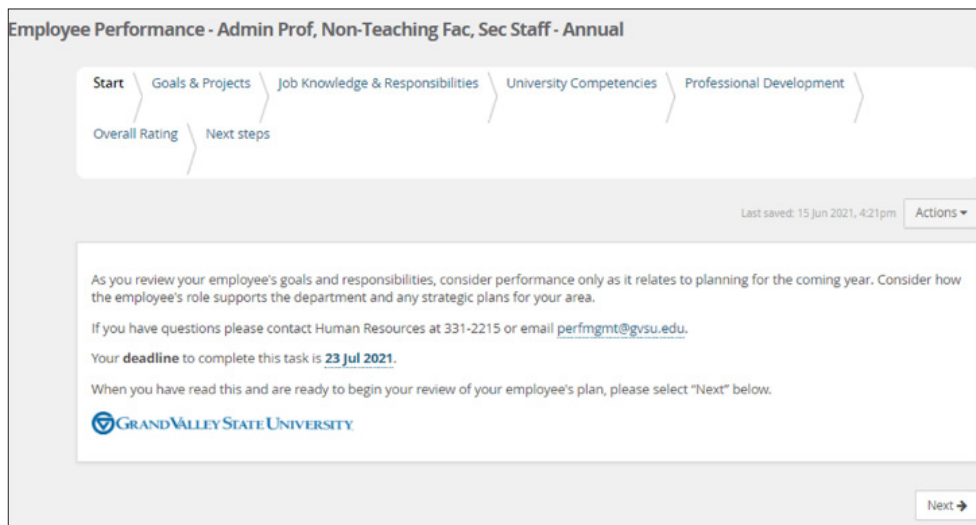

Once your employee has completed everything, you will receive an email notifying you that it is time to **Review/Approve Goals** or **Complete** their evaluation.

✔ **Step 2** - Supervisor Reviews/Approves Goals

As described above, you will now login and click on a review for your specific employee.

You will then come to the evaluation and all the section types:

By using the **Next** button at the bottom of the page, you can move through each tab:

- **Tab 1** - Goals & Projects: You can review/edit the employees and/or add new ones.
- **Tab 2** - Job Knowledge & Responsibilities: You can review/edit the employees and/or add new ones.
- **Tab 3** - University Competencies: Review the items the employee will be rated on.
- **Tab 4** - Professional Development: You can review/edit the employees and/or add new ones.
- **Tab 5** - Overall Rating: No action needed here until the evaluation phase of the process.
- **Next Step** - This will advance the review to the next step in the process.

✔ Step 3 - Supervisor Completes Evaluation

- You will rate Job Knowledge & Responsibilities, University Competencies, and provide an Overall Rating.
- You will be able add comments to every area.
- You will be required to add a Manager Final comment before moving on to the next step.

✔ Step 4 - Supervisor/Employee Review Discussion

At this step, you will meet with the employee to review the combined comments and the review. If you would like to print out the review, go to **Actions** (upper right side) and click **Print**. Once you complete this step, the employee will have the opportunity to acknowledge their review.

✔ Step 5 - Employee Acknowledges Evaluation

The employee will be able to review every section, but will not be able to change anything. On the final page of the review (**Next Steps**), they will be able to leave a final comment.

The screenshot shows a text editor interface. At the top, it says "Final comments" in blue. Below that, the text "Employee Performance" is displayed. Underneath is a rich text editor toolbar with icons for bold (B), italic (I), underline (U), bulleted list, numbered list, indent, outdent, link, unlink, and a "Source" button. The text area below the toolbar is currently empty.

✔ Step 6 - Supervisor Reviews Final Acknowledgment

This step allows the you to view any final comments the employee has made; you cannot edit, but you can review and add to your final comments.

✔ Step 7 - Evaluation Complete

***Note:** To view completed reviews, login to the performance portal and click on **My Team > Performance reviews**.

Change the **Status** to **Complete** or **All** and click **Search**.

Locate your employee and select **View the Report**. You will be able to print and/or save to PDF if you would like, but it is not necessary as you will always have access to the evaluation online, as long as the employee reports to you.

****Note:** If for some reason you acquire a new employee or there is some kind of supervisor change, as the supervisor, you are able to accept a review from a different supervisor or leave the review with the existing supervisor to finish.

The new manager for an employee will now see an action alert for the employee, allowing them to take ownership for the employee's performance review. The action alert will be displayed when one of the above cases is detected, as follows:

- On My Team > Organizational Chart
- On My Team > Performance Reviews
- On Dashboard > Team Performance Reviews

The notification contains a link that guides the manager to the My Team performance reviews page. The Supervisor will click on **Action Review**, then be presented with this message. You can choose to accept the evaluation or leave it with the existing supervisor.
