

**Bachelor of Science in Health Information Management****Fall 2019 Application**

The Bachelor of Science in Health Information Management Program at GVSU is competitive and requires completion of this secondary application. **Applications are due in the AHS office by 5:00p.m. on February 28, 2019** however they will still be accepted after this date. Applicants must complete the prerequisite courses along with all GVSU General Education, Basic Skills, and Theme coursework prior to the start of the practicum phase of the HIM Program. Admission into the HIM Program may require the student to re-set his/her catalog year. There are no waiting lists.

**Secondary Admission Requirements to the HIM Program**

- Minimum GPA of 2.5
- Completion of 45 semester hours, which includes current enrollment, verified by transcript
- "C" or better in BMS 250, BMS 251, and AHS 100
