Do you have Federal Work Study?

Take a look at our work study calculator on our website to help count the allowable hours you can work per week in order to utilize all of your work study funds during a set period of time!

If you have any questions regarding whether you have Federal Work Study, or if you are applicable for it, reach out to Financial Aid.

Need to verify your employment?

You may need an employment verification when applying for loans, new jobs, or mortgages.

Call or email us with your information!

Additional Questions?

Check out our
Student Employee Handbook!

If you have additional questions about your Ultratime, W4s or W2s, please contact the Payroll Office.
