

RCR Advisory Board Meeting Minutes
March 23, 2016

Present: Blake Ashby, Susan Mendoza, Martina Reinhold, Robert Smart, David Stark, Glenn Valdez

- RCR Workshop Recap
 - Discussed improvements for future workshops
 - We will continue to hold the workshop every two years

- Epigeum Updates
 - Long course and short course have been tested
 - Instructions for setting up Epigeum accounts were sent to all board members
 - Any issues should be forwarded to Robert Smart

- RCR policy for graduate students
 - All graduate students will be required to complete RCR training

- Discussed compliance for NSF funded researchers
 - Motion to allow NSF funded researchers to complete the Epigeum courses to satisfy NSF RCR requirements – unanimously approved

- Discussion of RCR training for undergraduates
 - RCR training will be a component of research orientations for compensated research programs
