Thursday and Friday | September 19 - 20, 2013

The Vice Provost for Health of Grand Valley State University
invites you to a two-day conference

Obtaining the Highest Quality at the Lowest Cost: The Case for Interprofessional Education and Practice

Please join the Interprofessional Steering Committee members from
Grand Valley State University, Grand Rapids Medical Education Partners,
and Michigan State University College of Human Medicine as we continue
to develop Western Michigan as a national model for interprofessional
education and collaborative practice.
