

MASTER *of* PHYSICIAN ASSISTANT STUDIES

BUTLER UNIVERSITY
COLLEGE *of* PHARMACY *and* HEALTH SCIENCES

HIGH QUALITY, PATIENT-CENTERED CARE. Butler University houses the longest accredited Physician Assistant (PA) program in the state of Indiana. Our 24-month curriculum prepares students to take the national certification exam, apply for state licensure, and deliver high quality, patient-centered care in a wide variety of clinical settings. Located in the heart of Indianapolis, we partner with all the major healthcare systems in the state and many outside of Indiana to offer students outstanding clinical experiences.

WHY PA STUDIES AT BUTLER?

- Butler is one of the premier PA programs in the country with above-national-average board passing rates, low attrition, and a 98 percent job placement rate within six months of graduation.
- Our program embraces innovative teaching strategies to promote the application of learned material.
- Our faculty cultivate a collaborative community through the integration of classroom and clinical site training.

ADMISSION REQUIREMENTS

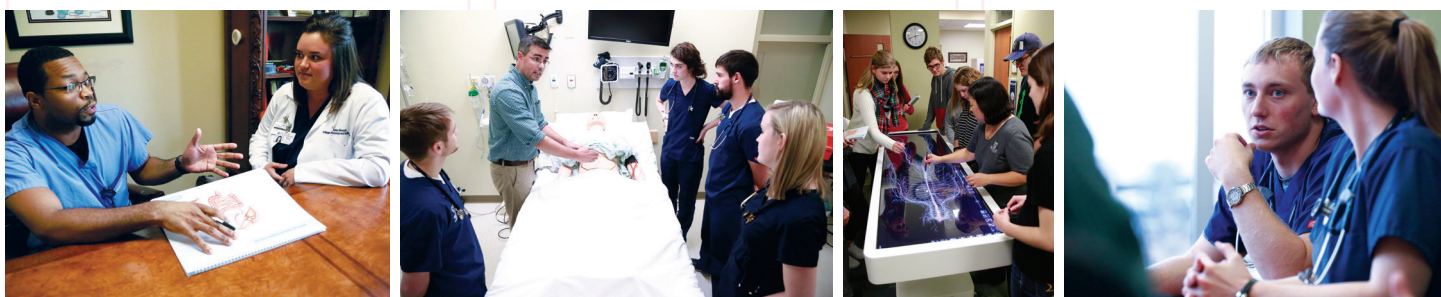

Minimum requirements for admission:

- Bachelor's degree.
- Overall GPA for all collegiate coursework of 3.2 or higher (current average for those admitted is 3.7).
- All course prerequisites completed with no grade of C- or less.
- Healthcare experience is not required, but is strongly recommended.
- A GRE score submitted with application. No minimum score is required (current average of those admitted is Quantitative: 154, Verbal: 154, and Written: 4.3).

HOW TO PREPARE

- Complete your bachelor's degree in any area of study and all prerequisite courses with no grade of a C- or less.
- Excel in leadership, demonstrate experience dealing with public/underserved, or perform volunteer service where there is significant enrichment to the community served.
- Discern that a career as a PA is what you really desire.
