

General Education: Secondary Year by Year Program Overview

This program leading to certification reflects Grand Valley State University's belief in the importance of field experience. Our secondary teacher candidates have accumulated over 600 hours in clinical settings by the time they complete their degree/certification requirements. The four-year sequence outlined here indicates the earliest point at which requirements are typically fulfilled. Transfer students may enter at appropriate steps. To schedule an advising appointment, students should contact the Major Department to discuss requirements for the degree, the major and the minor. They should contact the **Student Information and Services Center** * to discuss requirements for: College of Education admission, the professional program and teacher certification.

First Year <ul style="list-style-type: none"> - General Education Requirements - Selection of Majors (including education) / Minor - Selection of Certification Level - Meet with Major Advisor in the CLAS Academic Advising Center: 616-331-8585 - Submit SAT scores or an approved alternative Basic Skills requirement 	Include: <ol style="list-style-type: none"> 1.
