

MATHEMATICS - GENERAL (MTH 110 FULFILLED)

BACHELOR OF ARTS OR BACHELOR OF SCIENCE DEGREE

THIS IS A **GENERAL** CURRICULUM GUIDE AND IS NOT APPLICABLE TO EVERY STUDENT. IT IS IMPORTANT TO MEET WITH YOUR ADVISOR.

* The block tuition rate is 12-15 credits. You will pay additional tuition for any credits over 15.

MTH 124 is designed for calculus-bound students as a replacement for MTH 122 & 123. While students can still fulfill the MTH 201 prerequisite by taking MTH 122 & 123, MTH 124 is strongly recommended for students who plan to major in mathematics.¹ **Students must fulfill MTH 110, MTH 122, and MTH 123 (or MTH 124) or waive the requirement through math placement. These courses do not count towards the completion of the Mathematics major.**² Students must complete a total of two courses with an SWS attribute³ Mathematics students must complete three Math Cognate Courses. These courses are listed on the back of this guide.⁴ Mathematics students must complete a total of 11 courses in Math. These electives are listed on the back of this guide.⁵ Elective refers to any course to help you earn the required 120 credits to graduate.⁶ Mathematics students must complete a two course Math sequence/pair. The sequence options are listed on the back of this guide.⁷ Students who self-place into WRT 098 should take this course in the fall semester; take WRT 150 in the winter semester. Students who self-place into WRT 150 should take this course in the winter semester of the first year. A grade of C or higher is required to fulfill the WRT 150 requirement.⁸ Students may also complete MTH 496 – Senior Thesis - as the capstone requirement. Consult with your mathematics faculty advisor to discuss these options.

It is imperative to meet with your faculty advisor and an advisor in the CLAS Academic Advising Center regularly.

The CLAS Academic Advising Center is located in C-1-140 MAK, 616-331-8585.

Your academic advisor in the CLAS Academic Advising Center is Nick Woodward (woodwani@gvsu.edu)Online at: <http://www.gvsu.edu/clasadvising>

Degree Requirements

Mathematics students can pursue a Bachelor of Arts or Bachelor of Science degree. Students who wish to obtain a BA must fulfill 3rd semester proficiency in a foreign language (201 level). The BS requirements are incorporated into the major requirements and include MTH 201, MTH 202, and STA 312.

Declaring the Mathematics Major:

1. Log into myBanner from the GVSU homepage
2. Once logged in, select "Student," "Student Records," and then "Change Major"
3. Click on the "Change Major 1/Program" box
4. Click on the down arrow in the box next to "New Major 1/Program"
5. From here scroll down and find "Mathematics." There are two options BA or BS. Click on the option you prefer.
6. Click "Submit" and then click "Change to New Program"
