Notes:

* ED 315, ED 337 and PSY 301 are pre-admission courses for the College of Education. Students must have a minimum grade of C in each course, plus a 2.7 GPA overall and a 2.7 in their major and minor to be admitted to the professional program. Classes must be completed prior to applying to the College of Education. The student must also have a teachable minor. **Consult with your advisor!**

** ED 370 and/or ED 379 may be taken during or after Assisting but must be taken before Student Teaching.

¹ Skills development activity courses (five credit hours) selected from PED 100 through 179, one of which must be aquatics. May substitute PED 214 or PED 215 for PED 150-151.

Special Notes:

A. This is a **general** curriculum guide and will not work for everyone, especially those students who have AP or CLEP credit.

B. Courses that have (*Gen Ed*) written after them are classes that are required in the major and also fulfill a section of the general education program.

C. Complete a total of two courses with an SWS attribute. The two SWS courses may not be taken from the same department or school. One must be from outside the student's major unit.
