## Pharmacy School Fact Sheet

### What degree can I earn?

PharmD = Doctor of Pharmacy

For the 2025 entering pharmacy class, there were 12,934 applicants of which 11,028 accepted (85% acceptance rate). Average applications per individual was 3. There are 142 PharmD programs, data reported from the 134 programs that utilize PharmCAS.

### What is the nature of this profession?

Pharmacists dispense drugs prescribed by physicians and other health practitioners and provide information to patients about medications and their use. Pharmacists work in independently owned pharmacies or retail chains, hospitals, research clinics, pharmaceutical companies, and government agencies. Work hours vary depending on place of employment, though many will work evening and weekend shifts. Pharmacists have “provider status” which means they are able to provide immunizations and more comprehensive patient care.

### Where can I find additional information about Pharmacy?

The American Association of Colleges of Pharmacy <https://pharmacyforme.org/> or [www.pharmacyforme.org/career-pathways](http://www.pharmacyforme.org/career-pathways).

**YOU CAN CHOOSE ANY MAJOR YOU WOULD LIKE AS LONG AS YOU FULFILL THE PREREQUISITES FOR PHARMACY SCHOOL.**

#### **The following courses are strongly recommended as preparation for pharmacy school:**

|                                              |                                                               |
|----------------------------------------------|---------------------------------------------------------------|
| BIO 120: General Biology I                   | CHM 125/126: Principles of Chemistry I (formerly CHM 115)     |
| BIO 121: General Biology II                  | CHM 127/128: Principles of Chemistry II (formerly CHM 116)    |
| BMS 208: Human Anatomy                       | CHM 235/236: Organic Chem for Life Sci. I (formerly CHM 241)  |
| BMS 290/391: Human Physiology w/lab          | CHM 237/238: Organic Chem for Life Sci. II (formerly CHM 242) |
| BMS 212/213: Introductory Microbiology w/lab | CHM 461: Biochemistry I                                       |
| PHY 220: General Physics I                   | PSY 101: Introductory Psychology                              |
| STA 215: Intro to Applied Statistics         | MTH 201: Calculus I (this varies by school)                   |

**Other suggested courses (some schools require):** BMS 309, BMS 310, BMS 311, PSY 432, BIO 355 or 375/376, COM 201, SOC 101, ECO 210 or 211, other social science courses, additional ENG/WRT courses.

**Some pharmacy schools do not accept AP credit for prerequisite courses. If they do, your AP credit may be applied differently than it was at GVSU. Due to variations in admission requirements and procedures, it is advisable to research different pharmacy programs. Visit the pharmacy school websites, PharmCAS, or your professional advisor in the CLAS Academic Advising Center for assistance in choosing elective courses. A “C or better grade” is typically required for prerequisite courses.**

#### **Top 5 Majors**

- Biology
- Biochemistry
- Chemistry
- Pharmacy
- Pharmaceutical Sciences

#### **GPA**

To gain entrance to pharmacy school, usually a 2.5 to 3.0 minimum cumulative collegiate GPA is required. If a student has repeated courses, all attempts courses are counted in GPA calculations. Pharmacy schools look at a variety of GPA calculations in addition to the overall GPA; including the science GPA, non-science GPA, GPA trends, and GPA in specific subjects.

**The national GPA averages** for applicants accepted to pharmacy school fluctuate minimally from year to year. Recently reported for accepted applicants are:

Cumulative GPA: **3.36**, Average science GPA: **3.22**, Average math GPA 3.26.  
**PharmD programs in Michigan have been slightly higher than these averages.**

**Besides a strong GPA, pharmacy schools look for the following:**

- **Pharmacy-related Clinical Volunteer/Work Experience** and/or other Health Care experience
  - See [www.gvsu.edu/clasadvising/preprofessional](http://www.gvsu.edu/clasadvising/preprofessional) and the Healthcare Volunteering & Experience Guide for recommendations
- **Extracurricular and Leadership Activities:** visit [www.gvsu.edu/studentorg](http://www.gvsu.edu/studentorg) to begin searching for organizations to join at GVSU!
  - [Pre-Pharmacy Association](#); other clubs of interest
- **Community service** [www.gvsu.edu/service](http://www.gvsu.edu/service)
- **Research experience** [www.gvsu.edu/ours](http://www.gvsu.edu/ours); Department websites: Listing of research by faculty member and discipline
- **Strong letters of recommendation** typically from faculty and a pharmacist
- Your ability to pass a **criminal background check** (CBC). Pharmacy schools will conduct a CBC before allowing admitted students to begin pharmacy school.

The Medical and Health Humanities Certificate, Intercultural Communications Certificate, and the Research Scholar Designation are great ways to attain competencies professional schools are looking for in applicants.

**Track your experiences.** Create a copy of our Preprofessional Action Plan document ([www.gvsu.edu/clasadvising/actionplan](http://www.gvsu.edu/clasadvising/actionplan)) to log information you will need for your application process. This document has tabs for many items including your academic plan, experiences and hours, GPA calculators, potential letter writers, important contact info and more!

GVSU has several partnership programs with two of the Michigan PharmD programs, including:

- **Preferred Admission Program** as well as a **Dual Degree Program** with the University of Michigan's College of Pharmacy.
- **Guaranteed Early Admissions Program** with Ferris State University's College of Pharmacy.

For more information about these pathway programs visit the Preprofessional website.

### **Want more information?**

- Discuss other options and interests with your faculty mentor and/or CLAS Academic Advisor.
- Plan to attend events sponsored by the CLAS Academic Advising Center to assist you through this process while at GVSU.
- Sign up for the Pharm4Me Monthly newsletter, <https://pharmacyforme.org/pharm4me-monthly/>.
- Check out summer programs like the Summer Health Professions Education Program: [www.shpep.org](http://www.shpep.org)
- Visit our prepharmacy website, [www.gvsu.edu/clasadvising/pharmacy](http://www.gvsu.edu/clasadvising/pharmacy), for more resources!
