

# PREPROFESSIONAL NEWSLETTER

College of Liberal Arts & Sciences  
Academic Advising Center

February 2022 | Fairs

---

**Welcome to the February PreProfessional Team Newsletter! This month is all about fairs. We hope you find these resources helpful as you continue developing your professional school application. As always, the CLAS PreProfessional Advising Team is here to help and we welcome any questions you have along the way.**

---

## New Advisor Alert!

### Meet Holly Lorenz!

*I've spent most of my life in Northern Michigan, growing up at the northern tip of the Lower Peninsula and most recently relocating from the Keweenaw area of the beautiful Upper Peninsula. While I love the nature and being close to the water, moving back to Grand Rapids felt a bit like coming home as I found a community and fell in love with the city when I was a Grand Valley student during my Master's. I have my undergraduate degree from Central Michigan University and my Masters in Higher Education from Grand Valley. I enjoy the work I get to do with students and am energized by the passion and excitement they bring to our conversations where I get to be a small part of their success here at Grand Valley. In my time away from the office I'm usually reading, playing board games with friends, exploring the city, or out in the backyard with our dog!*

Holly looks forward to working with those in Behavioral Neuroscience, Biomedical Sciences, Exercise Science (Clinical/Health Fitness Instruction), Preprofessional (prechiropractic, predental, premedical, preoptometry, and prepodiatry), Psychology, Sociology, and Sport Management.
