

PSYCHOLOGY-BA OR BS

THIS IS A **GENERAL** CURRICULUM GUIDE AND IS NOT APPLICABLE TO EVERY STUDENT. IT IS IMPORTANT TO MEET WITH YOUR ADVISOR.

Psychology Major (36 credits)		
Required Core Courses (12 credits)		
— PSY 101 Introductory Psychology (3)		— PSY 400 Advanced Research in Psychology (3)
— PSY 300 SWS Research Methods in Psychology (3)		Prerequisites: PSY 101, PSY 300, and a course in relevant content area or permission of instructor
Prerequisites: PSY 101 or HNR 234, and STA 215, or STA 312 and WRT 150		— PSY 492 Advanced General Capstone (3)
		Prerequisite: Senior standing and a major in Psychology or Behavioral Neuroscience
Category Requirements (18 credits)		
Choose one course from each of the following six categories; prerequisite for all courses: PSY 101 or HNR 234 unless otherwise noted		
— Biological ____ (3)	— Developmental ____ (3)	— Personality/Clinical ____ (3)
PSY 375 Comparative Psychology	PSY 301 Child Development	PSY 303 Psychopathology
PSY 330 Fdns of Behavioral Neuroscience	PSY 305 Infant and Early Childhood Development	PSY 324 Developmental Psychopathology
Prerequisite: PSY 101 or HNR 234	PSY 331 Adolescent Development	Prerequisite: PSY 301 or PSY 364
PSY 431 Introduction to Neuropsychology	PSY 364 Life Span Development	PSY 420 Theories of Personality
Prerequisites: PSY 101 or HNR 234, and PSY 300		PSY 452 Counseling Theories and Applications
PSY 432 Psychopharmacology		Prerequisite: PSY 303
Prerequisite: PSY 101 or HNR 234, and PSY 300		
— Social context ____ (3)	— Cognitive ____ (3)	— General ____ (3)
PSY 355 Psychology and Culture	PSY 357 Psychology of Language	PSY 311 SWS Controversial Issues in Psychology
PSY 360 Social Psychology	Prerequisite: none	Prerequisite: WRT 150
PSY 381 Group Dynamics	PSY 361 Perception	PSY 362 Environmental Psychology
Prerequisite: PSY 101 or HNR 234 or SOC 201	PSY 365 Cognition	PSY 366 Perspectives on Aging
PSY 445 Industrial/Organizational Psychology		Prerequisite: PSY 101 or PHI 101
		PSY 370 Cognitive Neuroscience
		Prerequisite: PSY 101 and Junior Standing
		PSY 405 History and Systems
		Prerequisite: PSY 300
		PSY 410 Tests and Measurements
		Prerequisite: STA 215 or STA 312
— Elective PSY ____ (3)	— Elective PSY ____ (3)	
Degree: choose one (B.A. or B.S.)		
Psychology majors complete the B.S. degree requirements as part of their major. Students who have completed a 3 rd semester proficiency in a foreign language have the <i>option</i> of selecting the B.A. degree. It matters little to employers or graduate schools whether the degree is a B.S. or a B.A.		
Bachelor of Arts	Bachelor of Science	
Third semester language proficiency (201 level) is required for the B.A. degree. This may be fulfilled through language placement (http://www.gvsu.edu/ml/language-placement-exam-108.htm) or by completing the courses listed below	— STA 215 Introduction to Statistics (3)	
— Language 101* (4)	Prerequisite: MTH 110 or equivalent	
— Language 102* (4) (*150 is a hybrid of 101 & 102 and is recommended for students with previous language background; students may move into Language 201 after completing Language 150)	— PSY 300 Research Methods in Psychology (3) (SWS)	
— Language 201 (4)	Prerequisites: PSY 101 or HNR 234, and STA 215 or STA 312, and WRT 150	
	— PSY 400 Advanced Research in Psychology (3)	
	Prerequisites: PSY 101, PSY 300, and a course in relevant content area or permission of instructor	
Additional Elective Options		
PSY 302 Psychology of Adjustment	PSY 325 Educational Psychology	PSY 377 SWS The Psychology of the Quest
PSY 304 The Psychology and Education of the Exceptional Child	PSY 326 Intellectual/Developmental Disabilities	Prerequisite: WRT 150 and Junior Standing
Prerequisite: PSY 301 or PSY 364	Prerequisite: PSY 301 or PSY 364	PSY 380 Special Topics in Psychology
PSY 310 Behavior Modification	PSY 349 Psychology Applied to the Media	PSY 385 Psychology of Religion
PSY 315 Psychology of Sex Differences	PSY 367 Health Psychology	PSY 399 Independent readings
PSY 316 The Psychology of Human Intimacy and Sexuality	PSY 368 Psychology of Physical Disabilities	PSY 490 Practicum
		PSY 499 Independent Study and Research

It is imperative to meet with your faculty advisor and an advisor in the CLAS Academic Advising Center regularly.

The CLAS Academic Advising Center is located in C-1-140 MAK, 616-331-8585.

Online at: <http://www.gvsu.edu/clasadvising>

Sample Plan

Year One	Year Three	*Students must complete a total of two courses with an SWS attribute *You must have a total of 120 credits to graduate from Grand Valley State University (you are encouraged to complete an average of 15 credits per semester) *Supplement major courses with general education courses when scheduling *The block tuition rate is for 12-15 credits. You will pay additional tuition for any credits over 15 *A major GPA of 2.0 or higher is required.
PSY 101	PSY Category	
STA 215	PSY Category	
WRT 150 ¹	PSY Category	
Year Two	Year Four	
PSY 300	PSY Elective	
PSY Category	PSY 400	
PSY Category	PSY 492	
PSY Category		

¹ Students who self-place into WRT 098 should take this course in the fall semester and then take WRT 150 in the winter semester of their first year. Students who self-place into WRT 150 should normally take this course in the winter semester of their first year.

Students will not need to take WRT 150 if they have earned credit for the course through AP/Dual Enrollment. A grade of C or better is required in WRT 150 in order to satisfy the WRT 150 requirement at GVSU.

If you have received a minimum score of 3 on the **Advanced Placement (AP) Test in Psychology**, or have **CLEP or Dual Enrollment** credit for PSY 101 Introductory Psychology, you may take one 300-level (not PSY 300) course for which introductory psychology is the prerequisite during the second semester of your Freshman year.

NOTES:

- Psychology majors are strongly encouraged to choose a minor that provides knowledge and skills relevant to their chosen career.
- For those planning on pursuing a Ph.D. in psychology, research experience is crucial. Two years of research experience are highly recommended. PSY 499 is just one way to gain research experience. Consult with your faculty advisor to plan the types of research experience that would be most relevant to you. A minor in Applied Statistics can be useful.
- For those planning on pursuing employment directly after graduation or continuing on for a master's of social work degree, practical field experience through volunteering and the PSY 490 Practicum can be very valuable.
- For students who choose to take PSY 399 and/or 499, no more than six credit hours in these courses may be counted toward the major. Psychology majors must take at least one third of the psychology credits constituting their major from the psychology department.

Guide for Declaring the Psychology Major

- Log into myBanner from the GVSU homepage
- Once logged in select "Student", "Student Records", and then, "Change Major"
- Click on the "Change Major 1/Program" box
- Click on the down arrow in the box next to "New Major 1/Program," from here scroll down and choose "Psychology-BA" **OR** "Psychology-BS" depending on your degree
- Click "Submit" and then "Change to New Program"

General Education Overlap

General Education Categories fulfilled by courses required in the Psychology major:	
Mathematical Sciences: STA 215	Social and Behavioral Sciences: PSY 101
