Study Abroad: It is highly recommended that Spanish majors study abroad for a semester or longer in a Spanish-speaking country. Research has shown that study abroad for *at least one semester* is necessary if students expect to reach an advanced level of oral proficiency. University foreign language majors who have not lived in a country where the language of study is a majority language tend to finish their degree with an intermediate high level of proficiency (Swender, 2001). See a Spanish advisor or refer to www.gvsu.edu/studyabroad for more information.

Please Note: Students interested in majoring in a language, who have taken high school courses in that language, are strongly recommended to take the appropriate Language Placement Test. Contact the Modern Languages and Literatures Department at (616) 331-3203.

It is imperative to meet with your faculty advisor and an advisor in the CLAS Academic Advising Center regularly.

The CLAS Academic Advising Center is located in C-1-140 MAK, 616-331-8585.
