¹ Students who self-place into WRT 120 should take this course in the fall semester and then take WRT 130 in the winter semester of their first year. Students who self-place into WRT 150 should normally take this course in the winter semester of their first year.

Students will not need to take WRT 120/130 or WRT 150 if they have earned credit for the course through AP/Dual Enrollment. A grade of C or better is required in WRT 130 or 150 in order to satisfy the WRT requirement at GVSU.

² Based on initial math placement, see advisor for specific details/recommendations

³ Minors are encouraged; "Elective" refers to any course needed in order to reach 120 total credits, which are required to earn a degree from GVSU. Additional degree requirements include completion of all major/minor requirements, all general education requirements, at least 58 credits from a 4-year institution, and the last 30 credits of the degree completed through GVSU.

Guide for Declaring the Spanish major

Study Abroad: It is highly recommended that Spanish majors study abroad for a semester or longer in a Spanish-speaking country. Research has shown that study abroad for *at least one semester* is necessary if students expect to reach an advanced level of oral proficiency. University foreign language majors who have not lived in a country where the language of study is a majority language tend to finish their degree with an intermediate high level of proficiency (Swender, 2001). See a Spanish advisor or refer to www.gvsu.edu/studyabroad for more information.
