The OPI Requirement: Students must demonstrate oral proficiency at the Advanced- low level or higher prior to Student Teaching in the College of Education.

What does Advanced-low proficiency look like?

Advanced-level proficiency requires that students are able to participate in most informal conversations and a variety of formal conversations on topics related to school, home, leisure activities, work, and current events. They are able to narrate and describe in the past, present, and future in paragraph length discourse (combining and linking sentences). They are also able to discuss some abstract topics and support some opinions (characteristics of the superior level).

When should I take the OPI?

It is highly recommended that students complete a practice OPI before signing up for the actual test. Practice tests are administered by a department faculty member.

Professor Fidalgo-Eick
