Activities and Awards

Gamma Phi Beta Sorority

Greatest Accomplishment while at Grand Valley

For the first year and a half of my membership in Street Medicine Club, the organization was very scarce on members. Many were seniors, graduating, or becoming uninterested in the club. After I took over as President, I was able to create a better functioning, more organized club that attracted many members. I helped to flourish this club so that it still exists at Grand Valley today!

Most Significant or Memorable Experience

My time in Gamma Phi Beta is the most memorable part of my college experience.

Plans after Graduation

I am taking a gap year to study and take my MCAT, volunteer, do more research, and gain clinical experience while I apply to medical school in the spring!

Behavioral Technician at BRAINS through Pinerest
Human Resource Intern at Flexfab

Greatest Accomplishment while at Grand Valley

Out of everything I've done at GVSU, my biggest accomplishment has been discovering what truly inspires me and aligning my goals with that passion. I've worked hard every day and embraced every opportunity, and those experiences helped me gain clarity and confidence in the path I want to pursue.

Most Significant or Memorable Experience

My internship/practicum experience or my study abroad trip.

Plans after Graduation

I plan to continue my education at a PhD program in I/O psychology.

Brendan Webster

Major: *Group Social Studies and Education*

Research

Participated in Student Scholars Day in the Winter 2022 semester, presenting on the suffragette movement in the US, and how many women opposed and fought against their right to vote. Participated in a teacher candidate panel, informing veteran teachers about what we are learning about regarding pedagogical methods at college.

Leadership Activities

Was a Resident Assistant at Kistler Living Center in the Fall 2024 and Winter 2025 semesters (Kistler Krew forever!) Planned events, created decorations, designed posterboards, and more, all while making sure my first-year residents felt safe, comfortable, and welcomed here at Grand Valley.

Activities and Awards

Made the Dean's List in seven out of eight semesters at Grand Valley from the Fall 2021 Semester through graduation in the Fall 2025 semester.

Internship/Practicum

Participated in a Teacher Apprenticeship at Grand Rapids University Preparatory Academy in the Winter 2025 semester and a Teacher Internship at Zeeland West in the Fall 2025 semester; working on lesson plans, educating students, and preparing for life as an educator!

Greatest Accomplishment while at Grand Valley

Staying committed to graduating and fulfilling that goal. It was not always easy; I spent many long days studying in the library, and even longer nights hunched over my desk finishing assignments. I managed to see it through, though, and became the first in my family to graduate from college!

Most Significant or Memorable Experience

Becoming the first in my family to graduate from college and earn a four-year degree is the most significant to me. I hope to continue making my family proud and create a new generational cycle: graduating from high school, attending college (or trade school), and earning a degree to pursue whatever passions you have in life.

Plans after Graduation

I will be seeking a teaching position and immediately establishing myself as a new educator. I am sure that I will have many hours of lesson planning and professional development ahead of me, but it is all worth it to help educate the next generation!

Tara Weller

Major: *Nursing*

Study Abroad

1 week of Volunteering at an HIV clinic in Costa Rica.

Greatest Accomplishment while at Grand Valley

100 hours of volunteer work. Being a Corewell Health Nurse Scholar.

Most Significant or Memorable Experience

I tore my ACL halfway through my second to last semester of nursing school, I still went to all of my clinicals and completed the exams right after surgery.

Plans after Graduation

I want to be a Labor and Delivery Nurse through Corewell Health.

Benjamin Zwart

Major: *Natural Resources Management*

Minor: *Biology*

Research

Completed multiple GIS mapping projects related to the Rush Creek Watershed, in partnership with local non-profit Outdoor Discovery Center.

Leadership Activities

Served as a student leader for 3 years for Campus Ministry at GVSU, as well as Young Life GVSU.

Activities and Awards

Involved in GVSU's cross country and track team for one year. Spent 3 years as a student leader in Campus Ministry at GVSU.

Study Abroad

Took to field-based biology courses in Northwest Washington, focused on forest and alpine ecology.

Internship/Practicum

Worked as a watershed intern with the Outdoor Discovery Center for a summer. Also collaborated with the Kent County Deer Coalition for Deer Management as an intern with the Kent County Road Commission.

Greatest Accomplishment while at Grand Valley

Becoming as involved as I did in the natural resource department led me to lots of cool research opportunities and jobs.

Most Significant or Memorable Experience

The wide variety of field-based courses I got to take and how all of those experiences translated into internships and summer job opportunities.

Plans after Graduation

I plan to stay local to west Michigan and a full-time job related trees or tree care, or GIS/mapping.
