Please check category of award:

____ Outstanding Senior Thesis (thesis paper). Possible criteria: originality of thesis; depth, extent, or significance of research; cogence of argument; etc.

____ Outstanding Senior Project (research, lab work, webpage, brochure, lesson plans, etc.). Possible criteria: originality; depth, extent, or significance of research; impact or practicality of project; etc.

____ Outstanding Creative Achievement (performance, artistic project, unique project, etc.). Possible criteria: originality; creativity; elegance of presentation; etc.

____ Excellence in Collaborative Research (research with a faculty member). Criteria: contribution to joint research; as well as other criteria in the above.

____ Outstanding Civic Engagement Project. Criteria: contribution to society—local, regional, or global.

Out of approximately ____ similar projects I have supervised, this one ranks in the top ____.

In a few paragraphs below, please describe the reasons you are nominating the student for this project. The more specific you can be, the better. Return the form **and an electronic copy of the project** to the Honors Office at honors@gvsu.edu. Nominations without at least a sample of the student's work will not be considered.
