

No Place for Hate®

No Place for Hate® provides PreK-12 schools with **support and consultation** to implement a **framework** that engages the whole school in combating bias and bullying in order to create a school climate in which all students can thrive.

No Place for Hate® is customizable and designed to engage students and staff in dialogue and active learning on the topics that matter most to the school's community.

Supporting resources include:

- Coordinator Course
- Canvas Pathway to Designation
- No Place for Hate Activity Library

Bullying & Cyberbullying Prevention Strategies and Resources

ADL's [Bullying & Cyberbullying Prevention Strategies and Resources](#) provides expert advice about preventing bullying and cyberbullying for K-12 educators, administrators, students and family members. Resources include:

- 6 Ways to Be an Ally
- 10 Things Students Wish Teachers Knew about Name-Calling and Bullying
