BizStream

Founded in 2001, BizStream is a West Michigan based software and web development company with a passion for building ridiculously good software and delivering awesome customer support. Developed by BizStream in 2006, YouthCenter is a Juvenile Case and Detention Management system designed to make managing juvenile cases easier. YouthCenter provides secure access to case information anywhere at any time, custom reports, and improved compliance - resulting in better outcomes for staff, community, and the kids. The YouthCenter software is currently used in Michigan, New Hampshire and Alabama. BizStream is also actively involved in the JJV2020 Data Sharing Project.

Our involvement with youth goes beyond the courts and detention. We are passionate about empowering future generations, especially when it involves technology. We support programs such as BitCamp, robotics clubs, and our own non-profit education initiative, BizStream Academy. Visit us at bizstream.com or youthcenter.net.

Eagle Village

Founded in 1968 by Kermit and Jean Hainley, and the Honorable Donald E. Holbrook, the Hainley family arrived at Eagle Village with eight boys and a tent! Since then, Eagle Village has had a long tradition of caring for youth and their families serving all counties in Michigan. Three distinctive therapies are incorporated to help youth – “Family Focused”, “Experiential Approach” and “Trauma Care”. Eagle Village has the ability to genuinely engage youth and their families and equip them for success. Additionally, by including a strong spiritual foundation, Eagle Village provides highly effective answers for families struggling with dysfunction, behavioral challenges and the need for education. If you or someone you care about could benefit from these programs, or for more information about Prevention, Intervention Services, Residential Treatment, Foster Care/Adoption Services and Camp & Retreat opportunities, please contact Eagle Village at 231-832-2234, visit our website at www.eaglevillage.org, find us on Facebook @eaglevillagemichigan, Twitter and Pinterest at ‘news@eaglevillage.org’.

Glen Mills

Founded in 1826, the Glen Mills Schools (GMS) is a school of opportunity where youth can be transformed into positive and contributing members of society. GMS provides rehabilitative services to adjudicated male delinquents between the ages of 12 to 18. All programs are aligned with Juvenile Justice System Enhancement Strategies (JJSES) and the Balance and Restorative Justice (BARJ) model. Located in suburban Philadelphia on an 800 acre campus, it is the oldest continuously operating school of its kind in the United States.

The Glen Mills Schools provides a year-round education model. They utilize a blended learning approach to instruction that incorporates the Plato Learning Environment computer software, allowing for individualized academic coursework. All students are assigned a computer. GMS students can earn their GED or high school diploma and scholarships are available for post-secondary study.

GMS provides students the opportunity to earn four levels of certifications based on industry standards in each of the 25 Career and Technical Education (CTE) areas. Some of the areas offered are Auto Body Repair, Automotive Technology, Building Trades, Masonry Residential Carpentry, Small Engine Repair, Welding, Barbering, Culinary Arts, Golf Course Maintenance and Management, Dental Assistant, Opticianry, Photography and Graphic Communications and Print Technology to name a few.

GMS is a member of the Pennsylvania Interscholastic Athletic Association and the Delaware Valley Athletic Association. This gives students the opportunity to participate in over fifteen varsity and junior varsity high school sports.

GMS offers evidence based programs such as Botvin LifeSkills, Moral Reconciliation Therapy, Coping with Anger and Parenting & Family Values. As well as competency based programs, Drug and Alcohol Education, Gun Violence Prevention and Independent Living Skills. GMS also offers an intensive outpatient substance abuse program by request.

GMS provides a parent visitation program where they will fly parents out to GMS to visit their sons.

Highfields, Inc.

Highfields was founded in 1962 on the concept that people can change if they have the right opportunities, combined with high expectations and positive adult interaction. Since then we have grown from a small residential camp offering a second chance to troubled boys from Ingham County, to a multi-purpose, human services organization that touches more than 5,000 people each year. Today we provide a wide array of counseling, intervention, training and support services to children, youth, parents, families, and other individuals and organizations throughout Michigan. We are dedicated to our founding concepts and maintain an unflinching commitment to our vision of creating brighter futures for children, their families and communities.

Holy Cross Children's Services

Holy Cross Services touches approximately 1500 lives every day of children and families in Michigan, who are abused, neglected, abandoned, and/or suffer from substance abuse and mental health issues. The Holy Cross Services family is made up of: child & family welfare services; substance abuse and mental health services; and a community resource center called The Samaritan Center on the east side of Detroit.

Holy Cross was founded nearly 70 years ago and has a mission to bring hope, promote change, and help children and adults live free, healthy and productive lives.

Juvenile Justice Vision 20/20

Juvenile Justice Vision 20/20 is a grassroots organization serving as a collective voice for leadership and advocacy within the Michigan juvenile justice community. A major focus of Juvenile Justice Vision 20/20 is to redefine, invigorate and bring renewed priority and improvements to juvenile justice across the state.

Lighthouse

For mariners, a lighthouse often represents a beacon of hope when they have ventured off course. A lighthouse is also a critical guide when charting a careful return to port or departure to sea. The 20th Circuit, Juvenile Court Lighthouse Program is a secure residential treatment for girls, to offer hope in discovering a deliberate, viable, charted course for their futures. Located in the American Correctional Association accredited Ottawa County Juvenile Detention Center, Lighthouse is a short-term residential treatment program. The program is open to females ages 12 to 17 under court jurisdiction. The focus lies heavily on stabilization and therapeutic support, Lighthouse individualizes programming to meet the needs of the girl and her family for a successful and safe journey back into the community.

Michigan Home-Based Family Services

The Michigan Home-Based Family Services Association is a small association with an all-volunteer board supporting over 300 members. The Association is dedicated to supporting home-based workers by providing training opportunities, a newsletter, and advocating for the home-based, family-centered philosophy.

Safe Harbor Adolescent Recovery Program (SHARP)

SHARP, is a court-administered, co-ed, adolescent substance abuse treatment program offering all phases of treatment: stabilization, assessment, treatment and transition services. This is a collaborative approach with treatment providers, Charlevoix Public Schools and court licensed foster providers. This “least restrictive” style of in-patient services accessible through an Intensive Out-Patient arena enables a cost reduction by ½ as compared to the State approved rate for In-Patient programming.

Charlevoix County Probate/Family Court will coordinate all referrals and placements into our program. The per diem rate for this program is \$160.00. If you would like to make a referral please contact John McLean, Program Director for Safe Harbor Adolescent Recovery Program, at 231-547-8191 or mcleanj@charlevoixcounty.org

Sequel Youth and Family Services

Sequel Youth and Family Services is a privately owned company that develops and operates programs for people with behavioral, emotional, or physical challenges. Our mission is to prepare our clients to lead responsible and fulfilling lives by providing mentoring, education, and living support within a safe, structured, dynamic environment — whether on one of our campuses, in the community, or in their own homes.

We are passionate about what we do and delight in providing excellent programs that make permanent, positive changes in the lives of those we serve. Our programs are designed to equip our clients with the vision, motivation, life skills, education, and self-discipline necessary to lead a successful life.

Exhibitor Descriptions

Sequel Youth and Family Services offers a broad continuum of treatment options for children, adolescents, and adults. Our options include long-term residential treatment, short-term impact programs, shelter care, therapeutic group homes, therapeutic foster care, community-based services, in-home services, and alternative education programs. Our populations include adjudicated delinquents, children with autism, and children, adolescents and adults with physical disabilities or sexual, substance abuse, emotional, or conduct disorders.

SolidCircle

Founded in 2004, SolidCircle is a process innovation and software company that focuses specifically on process analysis and improvement. We are a team of driven process innovators, designers, and software developers that prides itself on helping our clients successfully achieve their goals.

What we are known for -- where we truly excel -- is providing successful, sustainable process innovations and software solutions to clients that reduce costs, improve efficiency, and significantly boost service levels. From software solutions for docket management, payroll hours collection, daily activity reporting, and jail management to process innovations for case management, fingerprinting, and booking, our team is committed to providing the best solutions for our clients.

Wedgwood Christian Services

Wedgwood is a nonprofit, faith-based organization that strives to be “professionally excellent and distinctively Christian.” Wedgwood promotes an inclusive practice, believing that people of all faiths and backgrounds are equally valued by God and that diversity is an integral part of God’s creative design. Wedgwood has provided residential care since 1960, changing to meet the needs of a diverse population which has included issues of sex trafficking, abuse & neglect, sexual abuse, sexual behavior issues, substance abuse, developmental delays, learning difficulties, school expulsions, and more. Over the past two decades, Wedgwood has made a focused attempt to significantly extend its continuum of care in the direction of community-based prevention and education services. Wedgwood uses a treatment focus that is relationally based and trauma informed, emphasizing on-going professional development training for staff members and the implementation of evidence-based practices across all services.

Wolverine Human Services

Wolverine Human Services is a proven leader in the provision of community based and residential programs for juvenile justice and child welfare clients and their families.
