Comparable Peers

1. [University of Akron, College of Business Administration](#)
To prepare our students to become competent and responsible business professionals and leaders. This mission is guided by the belief that business is an applied, global discipline, which is reflected in our extensive partnerships with the business community through numerous Advisory Boards, class projects, and internships, as well as through diverse learning opportunities.
2. [Appalachian State University, Walker College of Business](#)
We deliver transformational educational experiences that prepare and inspire students to be ethical, innovative, and engaged business leaders who positively impact our community, both locally and globally. Dedicated to instructional excellence, our faculty is also actively engaged in scholarship in the areas of practice, theory and pedagogy, as well as service activities that make possible these transformational educational experiences and serve to benefit the business discipline and the broader community.
3. [Bowling Green State University, College of Business Administration](#)
The College of Business faculty and staff educate and develop tomorrow's business professionals through a student-centric approach, create impactful research, and serve our local, national, and global communities. We value: faculty and students engaging with the business community; diverse, inclusive, and global perspectives; a personalized, interactive environment for learning; research that is meaningful to scholars and practitioners; bringing relevant and up-to-date scholarship into the classroom; innovative and effective pedagogy; emphasizing the importance of innovative and critical thinking; high ethical standards in the pursuit of teaching, research, and service; student engagement in curricular and co-curricular activities; supporting students in their academic and career success; effective verbal and written communication; and collaboration and teamwork.
4. [Georgia Southern University, College of Business Administration](#)
The Parker College of Business seeks to produce career-ready professionals by offering a broad array of high quality undergraduate and select graduate programs within a learning environment characterized by inspired teaching, relevant research and meaningful service. We search for new knowledge, both theoretical and practical, and insightful learning opportunities for our students, guided by common values of continuous improvement, excellence, integrity, accountability, respect and sustainability.
5. [Minnesota State University at Mankato, College of Business](#)
We are an AACSB accredited College of Business committed to exceeding the expectations of those who want to engage in learner-centered education, applied research and high-impact mutually beneficial partnerships. Our primary focus is on diversified undergraduate education with expanding opportunities in graduate education and continuing professional education; we engage in collaborative research to advance knowledge of business practice, to further impact student learning and advance business theory; and we create relational partnerships as a way to benefit students, business and community.
6. [University of Missouri-Kansas City, Henry W. Bloch School of Management](#)
As an urban research university, our mission at the University of Missouri-Kansas City is to promote learning through the discovery, preservation and dissemination of knowledge of public value across a broad spectrum of disciplines and fields of study. UMKC celebrates the individual and embodies diversity and inclusion by intertwining these goals with innovation to enable transformational impact aimed at bringing cultural, social, health and economic prosperity to the metropolitan, regional and global communities we serve.

7. [Texas State University, San Marcos](#)
The McCoy College of Business Administration fosters an engaged learning community that prepares a diverse student population for successful business careers as responsible global citizens. The College complements these efforts with research that adds to knowledge, provides solutions to business challenges, and contributes to pedagogical advances.
8. [Towson University, College of Business and Economics](#)
The College of Business and Economics develops high quality and innovative programs and resources, connects individuals to opportunities and theory to practice in curricular, extra-curricular and research activities, and transforms students who will have a positive impact within Maryland and beyond.

Aspirant Peers

1. [Ball State University, Miller College of Business](#)
The Miller College of Business will be a nationally recognized model for being student-centered, community-engaged, innovative, and entrepreneurial; known for its undergraduate and graduate programs through the accomplishments of its students, faculty, and alumni.
2. [James Madison University, College of Business](#)
The JMU College of Business is a learning community committed to excellence in preparing students to be engaged, principled business professionals and leaders; advancing scholarship in business disciplines; and enhancing organizational performance through our outreach activities.
