Psychology Department
Grand Valley State University
One Campus Drive
Allendale, MI 49401

616-331-2868 (office)
616-452-2833 (home)

E-Mail: lakeyb@gvsu.edu

Academic Positions:

Professor of Psychology, Grand Valley State University 2005-
Tenured, Wayne State University, 1997
Associate Professor of Psychology, Wayne State University, 1990-2005
Director, Psychology Clinic, Wayne State University, 1990-1999
Private Practice of Clinical Psychology 1992-1998
Assistant Professor of Psychology, University of North Carolina at Wilmington, 1985-1989

Education:

Honors B.A., *Arizona State University*, (Psychology), 1980
Ph.D., *Indiana University*, (Clinical Psychology), 1985
APA-approved Clinical Internship, *QUINCO Consulting Center*, Columbus, IN., 1985

License:

State of Michigan: 6301007995

Honors:

Summa Cum Laude, Arizona State University, 1980
Master Lecturer Award, Michigan Psychological Association, 1991
Career Development Chair, Wayne State University, 1998
College of Science Teaching Award, Wayne State University, 1998
President's Exceptional Service Award (shared), Wayne State University, 2000
Outstanding Graduate Mentor Award, Wayne State University, 2003
Outstanding Contribution to a Discipline Award, Grand Valley State University, 2016

Publications: *(Names in italics are student co-authors)*

🏆   *A Web of Science Highly Cited Paper*
!   250+ citations in Web of Science, Core Collection
**** over 200 citations
*** over 150 citations
** over 100 citations
*   over 50 citations

Gary Rhodes (2000). *Heroin dependence and the social contingency of the self.* Presented at the annual meeting of the College on Problems of Drug Dependence, (1999). Published in *Personal Relationships.* Gary is the clinical director of the

Lynn Neely (2001). *How the self and emotion is linked to Perceiver, Target and Perceiver x Target interactions effects in perceived support.* Presented at the annual meeting of the Midwestern Psychological Association (2002).

Jay Cohen (2003). *Consensus in judgments of therapeutic competence.* Presented at the annual meeting of the Society for Personality and Social Psychology (2003).

Honors/Senior Theses and Projects:

Patricia Cassady (1988). *Cognitive biases in perceived social support.* Published in *Journal of Personality and Social Psychology* (1990)*.* Patricia Cassady earned her Ph.D. in clinical psychology from the University of North Carolina, Greensboro.

Dorsey Edmundson (1989). *Situation-specific negative cognition and vulnerability to stressful life events.* Published in *Cognitive Therapy and Research* (1993). Dorsey Edmundson earned his Ph.D. in clinical psychology from the University of Mississippi.

Lewis Dickinson (1990). *Perceived family environment and the development of perceived social support.* Published in *Cognitive Therapy and Research* (1994). Presented at the annual meeting of the Southeastern Psychological Association(1990), and the annual meeting of the American Psychological Association(1994). Lewis Dickinson earned an M.D. from the University of South Carolina.

Suzanne Moineau (1990). *Individual differences in the interpretation and recall of social support.* Published in *Journal of Social and Clinical Psychology* (1992). Suzanne Moineau earned a M.S. in clinical psychology from Appalacian State University.

Linda Bartol (1991). *Clustering in free recall of social support behaviors.*

Kelvin Bentley (1992). *Social support and peer group relations in adolescents.* Published in *Journal of Social and Clinical Psychology* (1996). Presented at the annual meeting of the American Psychological Association (1994).   Kelvin Bentley earned a Ph.D. in psychology from the University of Delaware.

Sarah Baltman (1994). *Perceived social support and attachment style in adolescence.* Published in *Journal of Social and Clinical Psychology* (2003). Presented at the annual meeting of the American Psychological Association (1999). Sarah Baltman earned an MSW from the University of Michigan.

Susan Schreiber (1997). *Processes in making initial support judgments and their subsequent revisions.* Published in *Journal of Social and Clinical Psychology* (2003). Susan Schreiber earned an MS in family therapy from Wayne State University.

Alan Scoboria (1998). *Self esteem and social support: An interactional perspective.* Published in *Journal of Personality* Presented at the annual meeting of the American Psychological Association (1999) and the annual meeting of the Society for Personality and Social Psychology (1999). Alan Scoboria earned a Ph.D. in clinical psychology from the University of Connecticut. He is now an associate professor at the University of Windsor.

Robin Barry (2003). *Distinguishing between personality and relationship influences in attachment and mental health.* Published in 2007 in *Personality and Social Psychology Bulletin.* Robin earned her Ph.D. at the University of Iowa and is an assistant professor at the University of Maryland; Baltimore County.

Sarah Stewart (2003): *Accounting for taste: systematic individual differences in the interpretation of systematic supportive behaviors.* Sarah Stewart earned an MSW from the University of Michigan.

Edward Orehek (2003). *The link between perceived and enacted support depends upon the level of analysis.* Presented at the annual meeting of the American Psychological Association (2003) and the annual meeting of the Society for Personality and Social Psychology (2004). Edward Orehek earned his Ph.D. in social psychology from the University of Maryland and is now an assisant professor at the University of Pittsburgh.

Amy Veenstra (2007*). Forecasting supportive matching.* Published in *Personal Relationships.* Presented at the 2008 and 2009 annual meetings of the American Psychological Society, Washington, DC. Amy Veenstra graduate from the Ph.D. program in clinical psychology at Wayne State University.

Arika Cronin (2007). *Relational regulation of affect.* Published in *Personal Relationships.* Presented at the 2007 annual meeting of the American Psychological Society, Washington, DC. Arika Cronin was admitted to the Ph.D. program in clinical psychology at George Mason University.

Kate Bell (2007). *Enacted support misbehaves because of its personality.* Published in *Personality and Social Psychology Bulletin.* Presented at annual meetings of the American Psychological Society, Washington, DC. Kate Bell graduated from the MSW program at the University of Michigan.

Ryan Shorey (2008). *Redundancy between perceived support and capitalization support?* Published in *Personality and Social Psychology Bulletin.* Presented at the 2008 and 2009 annual meetings of the American Psychological Society, Chicago, IL. Ryan Shorey completed his Ph.D. in clinical psychology at the University of Tennessee and now is an assistant professor at Ohio University.

Meredith VanVleet (2008). *Similarity in attitudes, values and activity preferences as predictors of relational support.* Meredith VanVleet was admitted the Ph.D. program in social psychology at Carnegie Mellon University.

Dan Shanahan (2008). *Support Seeking, Enacted Support, and Mental Health Outcomes at the Social Influence Level of Analysis.* Dan Shanahan was admitted to the Ph.D. program in Organizational Behavior at the University of Utah.

Jim Kloet (2009). *A Generalizability Theory Approach to If...Then..., Situation-Behavior Relations.* Presented at the Midwestern Psychological Association annual convention. Jim Kloet is in the Ph.D. program in Communication Sciences and Disorders at Northwestern University.

Shawna Tanner (2010). *Trait and social influences in the link between negative thinking and unfavorable affect.* Published in *Cognitive Therapy and Research.* Presented at the annual meetings of the Association for Psychological Science, Chicago, IL. Shawna was admitted to the Ph.D. program in clinical psychology at Wayne State University.

Corey Cooper (2010). *Perceived support and favorable affect are linked when no enacted support is provided: The case of symbolic providers.* Published in *Personal Relationships.* Presented at the annual meetings of the Association for Psychological Science, Chicago, IL.

Justin Andrews (2011). *Perceived support among marines.* Published in the *Journal of Personality.* Presented at the annual meetings of the Association for Psychological Science, San Francisco, CA.

Travis Sain (2011). *Conversation elaboration and shared activities as mechanisms linked perceived support to favorable affect.* Published in the *European Journal of Social Psychology* and *Sourcebook of Listening.* Presented at the annual meetings of the Association for Psychological Science, Washington, DC. Travis is now in the Ph.D. program in clinical psychology at Southern Illinois University.

Travis Whitaker (2012). *Support Providers in Film.* Presented at the annual meetings of the Midwestern Psychological Association. Published in *Personal Relationships.* Travis graduated from the master's program in social psychology at Montana State University.

William Woods (2013). *Shared activities and conversation quality can account for part of perceived support's link to affect and thought.* Published in the *European Journal of Social Psychology.* Will was admitted to the Ph.D. program in clinical psychology at the University of Pittsburgh.

Elise Fles (2013). *The personality characteristics of supportive providers.* A portion was published in the *Journal of Personality.* Presented at the annual meetings of the Society of Social and Personality Psychology. Published in the *Journal of Personality and Personality and Individual Differences.* Elise earned a Ph.D. in social psychology at the University of Tennessee and is an assistant professor at the University of Bridgeport

Randy Vander Molen (2013). *Can ordinary coversation explain perceived support's link to mental health?* Published in the *Journal of Personality.* Randy graduated the master's program in industrial/organizational psychology at George Mason University.

Ellen Quick (2014). *Social and trait influencs in impulsivity and sensation seeking.* Ellen is in Ph.D. program in clinical psychology at Fordham University. Published in *Personality and Individual Differences*.

Sultan Hubbard (2016). *Relational personality and attachment dimensions.* Sultan was admitted to the Ph.D. program in counseling psychology at Virginia Commonwealth University. Manuscripts in preparation.

Calvin Hesse (2018). *The structure of personal relationships.* Calvin was admitted to UM's medical school. Research is ongoing.

Thomas Goralski (2018). *Trait and relational influences in emotional intelligence.* Presented at APS in 2018. Manuscript in preparation.
