

### Agreement Form for Recording Lectures

Under Section 504, Subpart E Postsecondary Education, of the 1973 Rehabilitation Act and the Americans with Disabilities Act, institutions of higher education must provide reasonable accommodations to a student’s known disability and may not deny equal access to the institution’s programs, courses, and activities. Recording lectures is a reasonable accommodation for students whose documentation calls for this accommodation.

The faculty has the right to require a student who uses a recorder to sign an agreement for recording and present the form to the instructor.
