It is important to meet with a professional advisor in the PCEC Advising Center on a regular basis. The PCEC Advising Center is located in B-3-241 Mackinac Hall and 101 Eberhard Center. Please call 616-331-6025 or go online at <a href="https://www.gvsu.edu/pcec/advising">www.gvsu.edu/pcec/advising</a> to schedule an appointment.

## Biomedical Engineering (Electrical Emphasis)

Grand Valley State University 2021-22 Catalog MTH 122 Placement – 5 year program

#### Major Notes

An emphasis area is required for the Biomedical Engineering major. A list of major elective options is listed in the <u>GVSU</u> Academic Catalog.

- 1) To declare this emphasis, login to MyBanner, select "Student Records" and then "Change Major."
- 2) Click on "Change Major 1" and select *Biomedical Engineering Electrical Emphasis*.
- 3) Click "Submit" and then "Change to New Program."
- 4) Other emphasis areas within Biomedical Engineering include Mechanical and Product Design and Manufacturing.

### **General Education**

| Category                   | Completed? | Category                | Completed? | Category     | Completed? | Category         | Completed? |
|----------------------------|------------|-------------------------|------------|--------------|------------|------------------|------------|
| Physical                   |            | Mathematical Sciences   |            | Global       |            | Writing          |            |
| Sciences<br>(CHM 115)      |            | (MTH 124)               |            | Perspectives |            | (WRT 130 or 150) |            |
| Life Sciences<br>(BMS 202) |            | Social & Behavioral     |            | U.S.         |            | SWS #1           |            |
|                            |            | Sciences (ECO 210/211)  |            | Diversity    |            |                  |            |
| Philosophy &               |            | Social & Behavioral     |            | Issues       |            | SWS #2           |            |
| Literature                 |            | Sciences                |            |              |            |                  |            |
| Arts                       |            | Historical Perspectives |            | Issues       |            |                  |            |

- 1) Consider taking a course that fulfills the U.S. Diversity category and one non-ECO Social and Behavioral Science course.
- 2) Consider taking a course that fulfills the Global Perspectives category and one Issues course.
- 3) An ethics course is required in the engineering program. It is recommended to take **ONE** of the following:
  - a. PHI 102 in the Philosophy and Literature category
  - b. BIO 328, BIO 338, COM 438, EGR 302, MGT 340, MGT 438, MKT 375, PHI 325 OR PLS 338 in the Issues category
  - c. For Honors College students, the ethics requirement is fulfilled by completion of the Honors Curriculum
- 4) ECO 210 or 211 is required for the engineering major AND fulfills one Social and Behavioral Science course.
- 5) Two Supplemental Writing Skills (SWS) courses are required for graduation. These can be fulfilled via other general education categories. *For example, EGR 302 will fulfill ONE SWS requirement, one Issues requirement AND the engineering ethics requirement*.

#### Recommendations

It is strongly encouraged that students do not begin or break curriculum thread by taking courses at other institutions. *For example*:

Taking MTH 201 equivalent elsewhere, then return to Grand Valley and continuing in the math thread with MTH 202.
