## Major Notes

An emphasis area is required for the Interdisciplinary Engineering major. Emphasis areas include: Data Science, Design \& Innovation, Engineering Management, Environmental Engineering, Mechatronics and Renewable Energy.

1) To declare this emphasis, login to MyBanner, select "Student Records" and then "Change Major."
2) Click on "Change Major 1" and select Interdisciplinary Engineering - Engineering Management Emphasis.
3) Click "Submit" and then "Change to New Program."

## General Education

| Category | Completed? | Category | Completed? | Category | Completed? |
| :--- | :--- | :--- | :--- | :--- | :--- |
| Physical Sciences <br> (CHM 115) |  | Mathematical Sciences <br> (MTH 201) |  | Global Perspectives |  |
| Life Sciences |  | Social \& Behavioral Sciences <br> (ECO 210/211) |  | U.S. Diversity |  |
| Arts | Social \& Behavioral Sciences |  | Issues |  |  |
| Philosophy \& Literature |  | Historical Perspectives |  | Issues |  |

1) Consider taking a course that fulfills the U.S. Diversity category and one non-ECO Social and Behavioral Science course
2) Consider taking a course that fulfills the Global Perspectives category and one Issues course
3) An ethics course is required in the engineering program. It is recommended to take ONE of the following:
a. PHI 102 in the Philosophy and Literature category
b. BIO 328, BIO 338, COM 438, EGR 302, MGT 340, MGT 438, MKT 375, PHI 325 OR PLS 338 in the Issues category
c. For Honors College students, the ethics requirement is fulfilled by completion of the Honors Curriculum
4) ECO 210 or 211 is required for the engineering major AND fulfills one Social and Behavioral Science course.
5) Two Supplemental Writing Skills (SWS) courses are required for graduation. These can be fulfilled via other general education categories. For example, EGR 302 will fulfill ONE SWS requirement, one Issues requirement AND the engineering ethics requirement.

## Recommendations

It is strongly encouraged that students do not begin or break curriculum thread by taking courses at other institutions.
For example:
Taking MTH 201 equivalent elsewhere, then return to Grand Valley and continuing in the math thread with MTH 202.
