*EGR 227	Microcontroller Program Lab	o 1 credit					

It is important to meet with a professional advisor in the PCEC Advising Center on a regular basis. The PCEC Advising Center is located in B-3-241 Mackinac Hall and 101 Eberhard Center. Please call 616-331-6025 or go online at www.gvsu.edu/pcec/advising to schedule an appointment.

Product Design and Manufacturing Engineering (Manufacturing Systems Emphasis) Grand Valley State University 2021-22 Catalog MTH 124 Placement – 5 year program

Major Notes

An emphasis area is required for the Product Design and Manufacturing Engineering major. Emphasis areas include: Design, General, Manufacturing Systems, and Robotics and Controls

- 1) To declare this emphasis, login to MyBanner, select "Student Records" and then "Change Major."
- 2) Click on "Change Major 1" and select **Product Design and Manufacturing Engineering Manufacturing Systems Emphasis**.
- 3) Click "Submit" and then "Change to New Program."

General Education

Category	Completed?	Category	Completed?	Category	Completed?	Category	Completed?
Physical		Mathematical Sciences		Global		Writing	
Sciences (CHM 115)		(MTH 124)		Perspectives		(WRT 130 or 150)	
Life Sciences		Social & Behavioral		U.S.		SWS #1	
		Sciences (ECO 210/211)		Diversity			
Philosophy &		Social & Behavioral		Issues		SWS #2	
Literature		Sciences					
Arts		Historical Perspectives		Issues			

- 1) Consider taking a course that fulfills the U.S. Diversity category and one non-ECO Social and Behavioral Science course
- 2) Consider taking a course that fulfills the Global Perspectives category and one Issues course
- 3) An ethics course is required in the engineering program. It is recommended to take **ONE** of the following:
 - a. PHI 102 in the Philosophy and Literature category
 - b. BIO 328, BIO 338, COM 438, EGR 302, MGT 340, MGT 438, MKT 375, PHI 325 OR PLS 338 in the Issues category
 - c. For Honors College students, the ethics requirement is fulfilled by completion of the Honors Curriculum
- 4) ECO 210 or 211 is required for the engineering major AND fulfills one Social and Behavioral Science course.
- 5) Two Supplemental Writing Skills (SWS) courses are required for graduation. These can be fulfilled via other general education categories. *For example, EGR 302 will fulfill ONE SWS requirement, one Issues requirement AND the engineering ethics requirement.*

Recommendations

It is strongly encouraged that students do not begin or break curriculum thread by taking courses at other institutions.

For example:

Taking MTH 201 equivalent elsewhere, then return to Grand Valley and continuing in the math thread with MTH 202.
