### **Teaching Disciplines:**

Microbiology, Anatomy & Physiology, and General  
Biology

### **Teaching Philosophy:**

I use student centered curriculum to share my  
passion for science and to help others learn about  
the world around and within them.

### **Scientific Interests:**

Infectious Diseases and Microbial Ecology

### **Research Publication Links:**

<https://doi.org/10.1128/IAI.00968-16>

<https://doi.org/10.3389/fcimb.2016.00022>

<https://doi.org/10.1371/journal.ppat.1004669>

<https://doi.org/10.1111/cmi.12286>

### **Personal Interests:**

Star Wars, Pokémon, puzzles, board games, video  
games, and baking.

### **A Fun Fact:**

At least once a week, I play D&D with my husband  
and some of our friends.

### **Quote:**

"If you want to be successful in a particular field or  
endeavor, perseverance is one of the key qualities." -  
George Lucas
