

Faculty Biography

Sarah Mullins

Teaching Disciplines:

Anatomy & Physiology
Health & Human Disease
Nutrition

Teaching Philosophy:

I share my passion for learning and science with my students and strive to empower them with the skills needed for deep learning.

Scientific Interests:

I love learning about how we acquire knowledge and pedagogies that deepen our understanding and retention of new information.

Award:

GVSU 10 Years Service Award, 2020

Personal Interests:

I enjoy spending time with my family, in nature, camping, and reading.

Fun Fact:

I have been teaching for over 20 years.

Quote:

"I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel." -Maya Angelou
