

Reminder: Upgrade Now to Windows 11!

You recently received an email notification that your computer is eligible for a mandatory upgrade to Windows 11. According to our records, it appears that you have not yet completed this transition. *If you've already completed the upgrade, thank you, and you may disregard this message.*

To ensure your computer remains secure, performs optimally, and stays compatible with our campus-wide network, please complete the upgrade as soon as possible. With Microsoft ending support for Windows 10, this upgrade is essential.

Before starting the upgrade, [be sure to back up your data](#). Next, determine which upgrade option—[In-Place Upgrade](#) or [Clean Install](#)—best suits your needs.

Need Help?

Windows 11 resources are available through the [Service Portal](#) and on the [Windows 11@GVSU webpage](#). [Windows 11 training](#) is available to all faculty and staff.

For questions, contact IT Services through the [Service Portal](#), email it@gvsu.edu, or call 616-331-2101.

Thank you for your partnership in making the transition to Windows 11 a success and for your continued support in enhancing technology at GVSU.

Thank You,
