*Job Search Strategies*  
[www.gvsu.edu/careers/jobsearch](http://www.gvsu.edu/careers/jobsearch)

### Diversify Your Search

Be flexible with what you are looking for. Consider industries that are stable or growing in current times. Do not rely on just one source for your search.

### Network & Build Your Brand

Our #1 job search tip is to utilize your network. Develop & complete your Handshake & LinkedIn profiles to grow connections. 75% of opportunities are never posted, so identify employers you are interested in and contact them directly. Now more than ever, employers are connecting virtually.
