

Mariana Vargas

vargasmari@email.com, 555-555-555
555 Laker Drive, Okemos, MI 48864

Objective: To gain admission to the GVSU Radiation Therapy program, where I can enhance my clinical skills to provide excellent, individualized care to future patients.

Education

Grand Valley State University, Allendale, MI Expected Graduation: April 2025
Bachelor of Science in Radiation Therapy with a minor in Spanish
Member of Frederik Meijer Honors College

Healthcare Related Experience

Olivia's Gift, Grand Rapids, MI May 2023-Present
Direct Care Worker

- Provide intensive, 24-hour care to eight adult residents with cognitive and developmental disabilities.
- Document patient care routines every 15 minutes in online system, abiding by Medicare and Medicaid regulations.
- Accurately manage and distribute patient medications following medical guidelines.

University of Michigan, Wyoming, MI October 2022
Job Shadow

- Gained an increased understanding of radiation therapist roles and responsibilities during 4 hours of observation in the hospital's oncology department.
- Observed collaboration between radiation therapists, dosimetrists, and radiologists to design treatment plans for cancer patients.

Sparrow Hospital, Lansing, MI May 2022- December 2022
Volunteer

- Created a hospitable environment for guests by answering questions, escorting families to departments, and delivering refreshments to patients' rooms.
- Restocked medical supplies to support hospital staff during shift changes.
- Completed 40 hours of service through the hospital's student volunteer program.

Campus Involvement

GVSU Pre-RISSO Club, Member January 2023-Present

- Attended weekly meetings and networked with guest speakers, alumni, and fellow radiation therapy students.
- Assisted with on-campus fundraising events to raise money for local healthcare organizations.

Previous Employment

GVSU Campus Dining, Allendale, MI Fall 2022-Present
Dining Staff

- Managed student meal plan and credit card transactions for Campus Dining.
- Cross-trained in food preparation and distribution for three campus dining halls.
